And the rest of the men who were not killed by these plagues, still did not repent...
—Revelation 9:20
The End,
The Last Seven Plagues,
The Coronavirus

**GENESIS 2:9, 16-17**

9 And out of the ground Yahweh made every tree grow that is pleasant to the sight, and desirable for food. The Tree of Life was in the midst of the garden, and the tree of the knowledge of righteousness and evil.
16 And Yahweh commanded the man, saying: Of every tree of the garden you can freely eat; 17 But of the tree of the knowledge of righteousness and evil you must not eat, for starting with the day you eat of it, dying you will die.  

Yahweh brought this same information later in the year 1451 B.Y. (Before Yahshua) to the twelve tribes—Abraham’s seed—who were brought out of Egypt.

**DEUTERONOMY 30:15-18**

15 See, I have set before you this day life by righteousness, and death and destruction by evil— 16 In that I command you this day to love Yahweh your Father, by walking in all His ways, by keeping His Laws, His Statutes, and His Judgments, so that you can live and multiply, and so Yahweh your Father can bless you in the land which you go in to possess. 17 But if your heart turns away, and you are not obedient, and you are drawn away to submit to Gods (elohim), to worship them by serving them— 18 I declare to you this day that you will surely perish...

Notice, there is another reason Yahweh is witnessing to the heavens.

**DEUTERONOMY 30:19-20**

19 I call heaven and earth as witnesses against you this day, that I have set before you life and death, blessings and curses. Therefore choose life, so both you and your children can live. 20 So you will love Yahweh your Father, by listening to Him, and then obeying Him. Hold fast to Him, for He is your life...

And:

**I YAHCHANAN 3:11**

For this is the message that you heard from the beginning, that we should ahab one another.

So, this message from the beginning was for the purpose of bringing to unity those who would choose life by righteousness. Life by righteousness is the only eternal life there is. Life by all choosing Yahweh’s righteousness stops wars.

**MICAHYAH 4:1-3**

1 But in the last days it will come to pass that the mountain; promotion, of The House of Yahweh will be established in the chief of the nations. It will be raised above all congregations; and all peoples will eventually flow to it. 2 And many nations will come and say; Come, and let us go up to the mountain; uplifting, of Yahweh, and to the House of the Father of Yahqob, and He will teach us of His ways, and we will walk in His paths. Because the Laws will depart from Zion, and the word of Yahweh from Jerusalem. 3 And He will judge between many people, and rebuke strong nations afar off; and they will beat their swords into plowshares, and their spears into pruninghooks. Nation will not lift up a sword against nation, nor will they learn war anymore.

**MATTITHYAH 16:18**

And I also say to you who are Kepha: That upon this stone, YAHWEH UNITY; I will build this House; Family: The House of Yahweh, and the gates of sheol (hell) will not prevail against it.

This isn't just unity, but rather united with the Creator Yahweh.

Yahshua and Yahweh’s Two Witnesses work together to establish the last days’ eternal House of Yahweh.

**ZECHARYAH 5:8-9, 11**

8 And this is the wickedness: And Satan overthrew The House of Yahweh within the midst of the ephah; The Standard of Perfection, which is sent by Yahweh’s Laws—by casting the same weight of lead; cover of deception, against her mouth; successfully suppressing the Word of Yahweh (the Laws and the Prophets).
9 Then I lifted up my eyes and looked, and behold: Two women; *The Last Two Eras of The House of Yahweh, sent with commandment*. The Spirit of Yahweh came to overspread them; and they were covered with the covering of saints. And they exalted, magnified, and extolled the ephah; *The Standard of Perfection, which is sent by Yahweh’s Laws*, separating the way of the world from *The Way of Yahweh*.

11 And he said to me: To *build* The House of Yahweh according to The Standard of Perfection sent by Yahweh’s Laws, in a Babylonish land which does not yet exist. And it will be established at that time; when *The Two Witnesses are called out to their work*; as the Established Place; the Habitation of Yahweh; THE HOUSE OF YAHWEH.

ZECHARYAH 6:11-13
11 Take the silver and gold and make crowns, and set them upon the head of Yahshua son of Yahweh, the High Priest.
12 Speak to him, and say; This is what Yahweh our Father says: Behold, the man whose name is the BRANCH! For He will branch out from His place, and He will *build The House of Yahweh*!
13 Yes, He will build The House of Yahweh. He will bear glory, and will sit and rule on His throne. He will be a priest upon His throne; and the counsel of peace will be between them both.

MATTITHYAH 16:18
And I also say to you who are Kepha: That upon this stone, YAHWEH UNITY; I will build this House: Family: *The House of Yahweh*, and the gates of sheol (hell) will not prevail against it.

That is The House of Yahweh in these last days, the End time of the seven last plagues, and the End (Mattithyah 24:3, 21-22) of the nuclear bombs (Mattithyah 24:29) that started in 1934.

The increase in knowledge (*Daniyl 12:4*) started in the year 1934.

The nuclear bomb started in 1934.

I am Yahweh’s chosen who Yahweh named Yisrayl. I am called the Chosen Branch who branched out and built the House of Yahweh in these last days.

MICAHYAH 4:1-3
1 But in the last days it will come to pass that the mountain; *promotion*, of *The House of Yahweh will be established* in the chief of the nations. It will be
2 And many nations will come and say; Come, and let us go up to the mountain; uplifting, of Yahweh, and to the House of the Father of Yahaqob, and He will teach us of His ways, and we will walk in His paths. Because the Laws will depart from Zion, and the word of Yahweh from Jerusalem.

3 And He will judge between many people, and rebuke strong nations afar off; and they will beat their swords into plowshares, and their spears into pruninghooks. Nation will not lift up a sword against nation, nor will they learn war anymore.

The building of The House of Yahweh was not done alone, but with Yahshua, the High Priest over The House of Yahweh.

HEBREWS 10:21
And having a High Priest over The House of Yahweh:

ZECHARYAH 6:11-13
11 Take the silver and gold and make crowns, and set them upon the head of Yahshua son of Yahweh, the High Priest.
12 Speak to him, and say; This is what Yahweh our Father says: Behold, the man whose name is the BRANCH! For He will branch out from His place, and He will build The House of Yahweh!
13 Yes, He will build The House of Yahweh. He will bear glory, and will sit and rule on His throne. He will be a priest upon His throne; and the counsel of peace will be between them both.

What does Yahweh’s prophecies show I will teach?

Answer: the same as Yahshua taught.

HEBREWS 10:16
This is the covenant that I will renew with them after those days, says Yahweh: I will put My Laws into their hearts, and in their minds I will write them;

HEBREWS 4:8-11
8 Now Yahshua caused them to rest in obedience to the Law, spoken of by Yahweh in a day previously.
9 Therefore, there remains the keeping of the Sabbath to the people of Yahweh,
10 For he who has entered into His rest has also ceased from his own works, as Yahweh does from His.
11 Therefore, let us be zealous to enter into that rest, so that no one will fall after the same example of unbelief.

ISAYAH 58:13-14
13 If you turn away your foot from breaking the Sabbath: from doing your pleasure; your own business, your own pleasure, on My sacred day, and call the Sabbath a delight; the sacred day of Yahweh honorable, and will honor Him by not doing your own ways, nor finding your own pleasure, nor engaging in idle conversation:
14 Then you will find your joy in Yahweh; and I will cause you to ride on the high places of the earth, and feed you with the heritage of Yahaqob your father—for the mouth of Yahweh has spoken it.

Remember this: Yahweh is the only true power in the universe.

ISAYAH 45:21-22
21 Speak out, bring your proofs near; yes, let them take counsel together. Who has declared this from ancient time? Who has foretold it from that time? Have not I, Yahweh? And there is no source of power
except Me, a just Father and a Savior; *there is none but Me.*  
22 *Look to Me,* and be saved, all the ends of the earth; for I *am* Yahweh, and *there is* no other source of power.

The only true Savior is Yahshua Messiah, the High Priest over The House of Yahweh.  
**HEBREWS 10:21**  
And having a High Priest over The House of Yahweh:  

Check the records, and you will see, as the scriptures say, that Yahweh’s Chosen Witness—the younger of His two Witnesses, who are brothers (*Isayah 44:2*)—branched out, and worked with Yahshua, the High Priest over The House of Yahweh to build The House of Yahweh in this generation known as the last days.

It’s all on record. It is written.  
**ZECHARYAH 6:11-13**  
11 Take the silver and gold and make crowns, and set them upon the head of Yahshua son of Yahweh, the High Priest.  
12 Speak to him, and say; This is what Yahweh our Father says: *Behold, the man whose name is the BRANCH!* For He will branch out from His place, and He will build The House of Yahweh!  
13 Yes, He will build The House of Yahweh. He will bear glory, and will sit and rule on His throne. He will be a priest upon His throne; and the counsel of peace will be between them both.

The Savior, Yahshua, says to you:  
**MATTITHYAH 6:33**  
But seek you first the Kingdom of Yahweh and His Righteousness, and all these things will be added to you.

**REVELATION 22:12-21**  
12 And behold, I come quickly, and My reward is with Me, to give every man according as his work will be.  
13 I am the First and the Last, the Beginning and the End.  
14 Blessed are those who keep His Laws, that they will have right to the Tree of Life, and will enter in through the gates into the city.  
15 For outside are dogs, and sorcerers, and whoremongers, and murderers, and worshipers of Gods (elohim) and everyone who professes to love, yet practices breaking the Laws.  

Did you remember? *The Book of Yahweh* is the source of ALL knowledge.  

*The Book of Yahweh* is the contract that Yahweh put in writing, and it is FOREVER!  

It is written and can never be changed.  

Yahweh bless your understanding.

O fools, and slow of heart to believe all that the Prophets have spoken.

*Luke 24:25*

Isaiah 44:1, 8
1 Yet now hear, O Yaaqob My Servant and Yisrayl whom I have chosen.
8 Do not fear, nor be afraid. Have I not told you from that time and have declared, You are My Witnesses! Is there a source of power except Me? Truly, there is no other Rock; I know not one.

Zechariah 4:11, 14
11 Then I answered, and said to him: What are these two Olive Trees upon the right side of the Lampstand, and upon the left side of it?
14 Then he said: These are the Two Anointed Ones who stand for the Supreme Ruler of the whole earth.

Revelation 11:3

And I will give to My Two Witnesses to perform their Prophetic Offices, and they will foretell events about the one thousand two hundred and sixty days, those cast about with darkness.

**The Seven Last Plagues And Nuclear Burning Will All End At The Same Time.**

ABRAHAM 25 (08/15/20)

1 Shalom everyone! Praise Yahweh! What a wonderful day and wonderful people! They’re all Yours, Yahweh! [joyful cheering and praise to Yahweh] Praise Yahweh! Be seated please and we’ll get to work. The Peace of Yahweh be with each and every one of you.

2 I hope you got the information on all the world’s activities and what it’s bringing. They did a great job putting that news together this week. The shortage, I wrote an article, I brought it out in a sermon years ago, there was going to be a shortage of doctors, nurses and hospitals. I found the information on Google quickly this morning but I wanted to bring my Book and read it to you. If you have that in your clutches, I’d like to have it.

3 Covid-19, this wouldn’t mean so much if no one had heard about the seven seals. If you haven’t heard about the seven seals, let me tell you. The seven last plagues, these will be the last of the plagues. These will be the last of the wars. That’s what Scriptures show. It’s going to end with these seven last plagues. There will be no more after that. There will be Peace after this is over. Praise Yahweh! [applause]

4 This virus, the cases right now, they’re at 21 million, over 21 million. The deaths are over 764,000. Recovered are 14,000. Right now the world has 21 million. The U.S. alone has 5 million. The total deaths in the world are 764,000. The US has 171,000 of those. So it’s bad. They don’t know what to do about it because they don’t believe their Scriptures. The only ones who know, they won’t believe them. Believe it or not, Trump is actually quoting the Scriptures sometimes and they’re getting angry with him for doing so.

5 It might be that travel is going to be stopped just in time for the Feast. They might do it before the Feast. It’s not helping. It won’t help. They’re going to use that as an excuse because this is a scheme of Satan to do so. Satan knows that this was brought about by her and the evil like the Gods. I would that everybody out there who’s hearing me, would write something down. I know we’re reaching something like 5 million in one episode and then it’s going up more before the week is out. If you would just write down Genesis 3:5. That verse says evil like the Gods, the last part of that verse, evil like the Gods. Satan, that’s what she is.

6 There’s nothing Righteous about Satan but yet the world has all gone the way of Cain which is the way of the Gods, fighting and
war. You get that in Genesis 4. You also get the Prophecy in Genesis 4 that shows what comes due to following evil like the Gods, which is Sunday keeping. That’s the mark of the beast. You really need the Book called The Mark of the Beast. It was written back in 1976. All the details are there that are taking place right now, everything. Yahweh showed you everything in that Book, The Mark of the Beast.

7 The first thing they did was change the Sabbath to Sunday. That took away the weekly meetings with Yahweh. Yahweh set and made Holy the Seventh Day. The Seventh Day is what they call Saturday. That’s the Seventh Day of every week. Look at any calendar. You don’t have to be so foolish as not to check some of these things out. Look at any calendar. It will show you the Seventh Day. Then read the first Chapter of your Bible. If you have a Book of Yahweh, read It. It’s much better and easier to understand.

8 The Seventh Day of the week is a permanent meeting. It’s a set aside Appointment where the Creator Yahweh actually is here with us. Yes! This is going to be true throughout all Eternity. Praise Yahweh! All of His Family who make it into His Kingdom are going to be meeting with Him every week on this day.

9 When they took away the Sabbath, they started having meetings with the sun God Baal. Sunday is named after the sun God Baal. It’s not named after Yahweh. It’s the First Day of the week, which is a work day to get your work done. Six days Yahweh gave you to get your work done. The Seventh Day, He tells you, “Come meet with Me on the Seventh Day.” Satan said, “No, don’t meet with Yahweh. We’ll make it more delightful for you if you come and meet with us on the First Day,” the sun God day. “Being evil like the Gods,” Satan said, “is more delightful.” That’s Genesis 3:1-5. If you would just start your study there, that will help you a great deal.

10 We’re getting ready for the Feast. You
need to think about this because they could cut off all travel and probably will because the idea is to keep you from having this Meeting with Yahweh. I also brought a sermon telling you that this was going to take place and they would be restricting travel. It’s getting worse. This won’t stop. This won’t stop, this first plague. The first plague is being accepted and taken into the body by those who have the mark of the beast. Those who have the mark of the beast are almost 100%. Revelation 12:9 tells you the whole world is deceived. That deception is the mark of the beast. The deception is the mark of the beast. That’s given to you in Genesis 3.

11 It will not fall on anyone who does not have the mark of the beast. You won’t get it. If you don’t have the mark of the beast, you won’t get it. If you do have the mark of the beast, you’re going to get it. You’re going to get this virus. You will have it about 10 days and then the signs will disappear. They’ll tell you that you’re well but you won’t be. They say you’re over it. It’s been 10 days and you can go home, you’re over it, but you’re not.

12 What has occurred in that 10 days is your immune system has been taken up. Your immune system, if you don’t know what I’m talking about, it’s the army of defense in your body that keeps your body going. It keeps your eyes seeing and your ears hearing. It’s made up of kingdoms of microorganisms, so tiny you can’t see with your naked eye. They’re doing a tremendous job in your body making your eyes see, your tongue talk and your teeth eat. They give you feelings and joy. Satan says it’s more desirable her way but wait until you start losing these things and you’ll see it’s more desirable Yahweh’s Way, not her way. [Praise Yahweh, applause]

13 Anyway, the seven last plagues are shown in Revelation 16 and Revelation 9. You have to put those two together. They’re in about 56 other places, I believe, throughout the Scriptures. We’re still finding them and putting them together. It’s here a little and there a little. Over the next couple of months, I’m going to be mentioning some things that David Yahodah brought out this morning. Don’t forget what he brought out. If you do, you better relisten to it and write it down. I’ll be mentioning some things that won’t mean anything to the world. If you’ll start putting them together, by the Feast, I don’t know if Yahweh wants us to announce them before the Feast or not. You should be getting it without the world understanding. It will be mentioned here a little and there a little in the sermons. We’ll give a sign of some kind. We’ll get it worked out.

14 All who have the mark of the beast are going to suffer for five moons, five months. That’s what your Scriptures say. Read it. Revelation 9. Revelation 16:2 shows you the mark, the plague, the seven last plagues. When it says last, it means last. It is written. Yahshua said, “It is written.” This written is our contract with Yahweh. That’s the reason I’m telling you that unless you have the mark of the beast you will not get this plague. If you’ve got the plague, you’ve got the mark of the beast and you better repent. You better straighten your life up. I’ll tell you how to do that. Don’t forget this. This is the only way. Yahshua said, “Seek the place I’ve chosen to place My Name. Seek the Kingdom of Yahweh and His Righteousness.” That’s in Matthew in the King James Version. It’s Mattithyah in The Book of Yahweh.

15 Seek the Place. Go to It. Deuteronomy 12:5. Go to the Place where Yahweh chooses to place His Name. Where He chooses. Where Yahweh chooses. He writes it down for you. It is written. Micahyah 4:1-3. It tells you the Name, House of Yahweh. They took the Name out and replaced it with the words Lord and God. This is history. You don’t have to be a fool about this. You can look it up in history. The Roman Catholic Church changed it. They removed the Name Yahweh and put their Gods in there, evil like the Gods, like the sun God Baal who refuses to
keep Holy the Seventh Day. It’s that simple.

16 If you’ve got this mark of the beast, you’re going to have this Covid-19. That’s a guarantee. It is written. You’re gonna have it. There’s no getting out of it. When the last person that’s got the mark of the beast gets this Covid-19, he will be sick for five moons. You people who have “gotten over” this and pronounced well, if you’re still in that five moons, your organs are suffering. Your immune system is crushed. This Covid-19 takes up this immune system and fights it. So your immune system, this army of defense is weakened.

17 I want to show you a list of these diseases. I would I had it blown up to where you could read them all, but you can see it. These are single words that show these diseases. Here’s a list of them. Every word there is a different disease that the organs in your body are fighting. I can hold it up. It’s a full sheet of paper. Every word is a disease. That’s how many diseases you’re carrying right now. Your body is doing its best. The kingdoms in your body are doing their best to keep you alive. Here is the Covid-19. It doesn’t destroy it, but it takes up your immune system. Your immune system must be built back for it to defend your body. It doesn’t have time. The diseases have nothing to fight them so they grow really rapidly and that’s what kills you. It’s not the plague that kills you, it’s the diseases that you already had in your body. Here’s a list of the diseases that everyone in the world except House of Yahweh members have in their bodies.

18 If you asked a doctor, if he didn’t pay to get his license, if he had to study to get his license, he’ll tell you what I’m telling you. I learned it years ago in the State Board of Health Laboratories. I was so glad to get that information because it told me what sin brings. When you understand how your body is made and how it gets sick, it doesn’t just get sick on its own. It doesn’t go on strike or demand higher pay or anything like that. You make it sick by sin. **Leviticus 18** tells you the diseases that caused all of these diseases. These are crossbreeds of breaking **Leviticus 23**. I’m sorry, It’s **Leviticus 18. Leviticus 23** shows you your Appointments with Yahweh. Satan is trying to keep you from getting those Appointments and keep you away from Yahweh’s House. That was the idea of changing the Sabbath from the Sabbath to sun God Baal worship. All the world is worshiping God except The House of Yahweh. Yahweh is not a God. [Praise Yahweh, applause]

19 It’s like the first Passover. They took blood and put it on the doorpost. Now, this blood was recognized by the plague that struck Egypt. It was recognized and turned when it got to the Children of Israyl. There was nothing to eat there so they turned and went another way. In this time period, the fact that you don’t have the mark of the beast means there’s nothing there for them to eat. There’s nothing there for them to enter to get their food supply. I’m talking about the plague. I’m trying to put it into simple terms where you can understand it. You can go into the deep things if you want to and probably your doctors will tell you the books you could go to if he didn’t pay to get his license and out there practicing illegally. If he knows what he’s doing and he got his degree from studying and passing the tests, he knows what I’m talking about.

20 Some don’t believe the history of **Exodus 12**. You really need to study it. Here it is again upon us now. The whole world is suffering it. They’re suffering this so-called death angel. That’s what they named it. The Scriptures don’t name it that. It was their own sins coming back at them. Yahweh merely told Mosheh, this was when it was going to take place. It’s building up right now. This is what I told you several years ago. I told you there was going to be a shortage on doctors, nurses and hospitals. It’s all in that same lesson on the seven last plagues. We’ll find it and bring it to you, hopefully, by the time I speak again.
This second Passover, that might have been where I put it. We named a sermon the Second Passover. The Second Passover is here now. It started with a two-day test or trial for Yahweh’s People to see who passed this test or not. Well, we proved it. You didn’t even know you proved it, but you proved it with your Righteous Way of living, your Righteous Way of Service. The world doesn’t want to be a Servant. Yahshua wanted you to be a Servant.

22 Exodus 19, which was written, by the way, in 1491 B.Y. This is called the Message of the Kingdom, the Kingdom of Yahweh. Yahshua called it that in Mattithyah 24:14 when He said this Message is going to be preached in all the world. Keep this in mind because I brought out last week, you can’t forget this. I brought out last week or the week before about the satellites that we put up. Those came in our lifetime, in this Last Generation, as Yahshua called it in Mattithyah 24. They came in this time period. In Exodus 19, Yahweh said, “I’m going to make you a Kingdom of Priests.” Yahshua said to seek that Kingdom and you can be a Priest. You can learn to be a Priest. You can’t buy it. The only way you can get it is to become Righteous. The Christians try to belittle the Scriptures. “Oh, you have to earn it.” You could work the rest of your life and not earn one step in the Kingdom. They take that and their words bring to light how evil they are.

24 What do you do if you want to purchase a car? You go to a car dealer. That’s your preacher. You go to a car dealer. The car dealer says, “You want this car? Well, you can have it, if you will pay me this much.” You get the point? What’s wrong with that? You do it all the time. Yahweh said, “If you will be Righteous like I am, I’ll give you a mansion.” Not just a car! Some people do this with houses too. The real estate dealer says, “Yeah, give me this much money.” “Well, I don’t have that much money.” “Then pledge that much money.” “Oh, okay!”

25 Then the real estate or car dealer says, “I’ll have to get something and get your credit. I’ll have to test you out to see if you’re worthy
and see if you’ll really do what you say.” So they put your name down and look up your past record. They find out you lied a few times and you owe this debt or you’re behind on that one. You had a foreclosure here and a bankruptcy there. “I’m sorry but you just don’t pass the test.”

26 So they find one who did pass the test. He had a great record and he agrees to pay so much money. The dealer says, “You pay me this much money every month and I will let you live in this house until you get it paid for. If you’re lying to me and you miss your payments, you’re gonna get kicked out.” Yahshua said, “How did you get in this Kingdom? How did you get in here?” He had found somebody who lied. Yes, they’re still gonna be trying to cheat to get into the Kingdom in these next two years. They won’t make it. You can’t pretend and get by Yahweh’s door. [Praise Yahweh, applause]

27 It’s got to be sincere, Yahweh said. It’s got to come from the heart. It can’t just be done when you’re standing in front of me and telling me what a Righteous thing you did. You’ve got to prove it when I’m not there. You prove it by your actions. You prove it by your actions and the life that you live.

28 Are you willing to repent? Are you willing to actually come before the Priests, as Yahweh said, and confess your sins? If you hide them, we can’t forgive them. We can only forgive what you confess. So you’re hurting yourself if you don’t get them off your head and out of your body right then and there. If you don’t remember them, that’s fine, if you can’t remember them. But you could say to the Priests, “I want forgiveness for all those wicked things that I did and I was so ashamed of that I put them out of my memory.” [Praise Yahweh, applause]

29 So get this idea. Yahweh says, “I’ll give you this mansion.” Yahshua said, “This is what I’m preparing for you, a mansion. Right now you’re proving that you can fulfill this loan that I’m giving you. You’re proving it to Me. So I’m going to prepare it for you. I’m gonna have it cleaned up, shiny and bright. All the precious things that you like, they’re gonna be in that mansion.” He is your Servant, the Great and Honorable Yahshua Messiah. [Praise Yahweh, applause]

30 Oh you found it? Here it is. Coronavirus is not over yet… This is the 4/25/20 Newsletter. From the fourth month, I knew that was rather recent. Anyway. I’ll lay this here and cover up that list of diseases for you!

31 It’s going to be a beautiful Feast but Satan is going to try to stop it. I suggest that you think over what we’ve said. Think over this news that we brought for you also. The worst part, the very worst things that you could do is not keep one of Yahweh’s Weekly Sabbaths or Feast Days. These are Yahweh’s Appointments.

32 Satan or Pharaoh, whose name is pope today is sitting on the seven hills of Rome. If you’re not up on that, you don’t know that the Coptic Catholics that Cain started in Egypt are the same Roman Catholics. The Catholic system started as nimrod and now survives as the Roman Catholics who have this great army. Who dares attack them? Well, Yahweh shows that they’re going to dare to attack them.

33 These seven last plagues will be over within two years. They’re gonna be over within two years, the seven last plagues. They’re going to end with nuclear burning. Revelation 18 shows nuclear burning, a one-hour burning. Are they capable of that? The governments say they are. What each of the Quartet has in mind is getting as many allies as they can on their side. When they see that war is inevitable, they’re all gonna see it at the same time and they’re all going to pull the trigger. One-hour burning and your scientists, your top scientists say it’s gonna all be over. The seven last plagues will finish and your Scriptures say it’s gonna all be over.

34 Yahweh bless your understanding and I’ll turn the Services back to the next speaker. I love you! [Praise Yahweh, applause]
CATON: Welcome to another edition of YPN News, bringing you news as it relates to bible prophecy and foretold by Yisrayl Hawkins. We’re going to be talking about quite a variety of things today including the weather on Jupiter which has really been changing over the last 12 years or so, the Texas abortion ban that went into effect, and China flexing its military muscle, yet once again.

We’re going to start off with the great red spot on Jupiter, which has apparently been growing in size and has scientists baffled. But now they think they have an idea of what’s going on. The great red spot, estimated to be over 350 years old with wind speed greater than a category 5 hurricane, has been speeding up. Hubble telescope images have determined that wind speeds along the high-speed outer ring have increased by 8% since 2009; they’re now at over 400 mph.

JEFF: Scientists don’t know why the winds are speeding up but suspect that it could be influenced from a nearby storm. Another interesting fact is that the winds inside the storm are considerably slower than the outer bands like “someone cruising lazily on a Sunday afternoon,” that’s according to NASA. With the spot being more than 10,000 miles across, the earth could easily fit inside for comparison.

CATON: NASA scientists said that the only reason they knew about the changes is because of Hubble images. The satellite can get some great readings several thousand miles above Jupiter’s great red spot. Even with all this new information, Jupiter’s red spot, what fuels it and why it’s growing and speeding up mostly remains a mystery to astronomers and scientists.

JEFF: Take a look at this next video about a volcano on Spain’s Canary Island and how it’s having tremendous effects on its inhabitants and their livelihood. (Link to video... https://news.sky.com/story/la-palma-volcano-three-more-towns-evacuated-amid-intensifying-volcanic-activity-12416786)

CATON: That’s definitely impacting the people and their lives. Displacing a lot of people as a result, and it doesn’t seem like it’s really doing anything to slow down.

Well, the east and west coasts of the United States have been seeing a decrease in seafood quality and quantity. The fish have been getting smaller as the oceans are getting warmer.

JEFF: Caton, that really shows you how everything has to be in balance to work properly and when it’s out of balance, you see the fish there as a comparison, they’re so much smaller than what they used to be.

CATON: Yeah, going out at a younger age, of course, they’re not going to be as big. We’re seeing the detriment of climate change, it’s affecting pretty much every species on the earth.

JEFF: California’s governor made a monumental mandate requiring covid vaccinations for all school children from K-12, once the vaccines are fully approved from the federal government. As the US reaches 700,000 deaths, the drug company Merck says that it has developed a new drug that reduces hospitalizations and can be a game changer in treating the coronavirus. They are now seeking emergency use authorization from the FDA for the world’s first antiviral pill to treat covid.

CATON: On the east coast, in New York City, a group of public school teachers asked the Supreme Court to block a vaccine mandate that’s set to kick in today. The mandate states that all public school staff get at least one dose of the vaccination or face termination. The Supreme Court did refuse to block that mandate that the teachers were requesting.

JEFF: Back in California, Governor Newsome took a bold stance making his state the first to mandate vaccinations for eligible children in both public and private schools once the vaccine is approved by the FDA.

CATON: Governor Newsome said that he expects other states to follow suit. The covid vaccine will be added to existing vaccinations required by schools already. Currently about 36% of California children are not vaccinated against covid.

JEFF: In trials for the new pill from Merck, patients who were given the pill over five days had a reduction in hospitalizations by 50% and there were 0 deaths. There were 8 deaths in the group given the placebo. Nationwide, cases of covid are reported to be declining after the summer surge. Supreme Court Judge Brett Kavanaugh was one of the latest to get the virus, even though he’s fully vaccinated and currently asymptomatic.

CATON: Back to New York, on the east coast where the deadline has passed for school employees to be vaccinated, about 20% of nearly 4,600 school safety agents are unvaccinated and will not be eligible to work. They could be forced to take unpaid leave, and many could lose their jobs. The president of Teamsters Local 237 said that schools will be less safe on Monday because there will be less school safety agents. One school employee, under the threat of losing her job, in an interview with CBS Evening News, said that she reluctantly got her first dose.

JEFF: An FDA advisory committee is meeting to discuss a vaccine for children that they hope to have available by October 31st.

..........................

CATON: Well, we’re going to take a look at what’s going on in Texas, and some things with the United States and the European Union, and kind of a battle between some trust that’s going on there. We’re going to turn that over to our field correspondent, Larry McGee who has more for us on this recent ban by Texas and some of the other things that are taking place throughout the world. Larry what do you have for us?

LARRY: For anyone who might have held out hope that the hearts of the people might soften due to the degree of death which the world is currently facing, the response of some to the clever maneuver that essentially bans infanticide in Texas must have been disappointing. The position of the federal government is that
move poses constitutional questions and with that, they have moved to face-off against Texas in court. While the Lone Star State says there is really no just cause for legal action, since the measure is designed to be executed not by state officials, but by citizens, who have merely been empowered by the law to bring civil action against those seeking to terminate a life. Federal judges say it sets a very dangerous precedent in that it actually represents a state moving to suppress constitutional rights, so they are said to be considering the matter very closely.

America is determined not to allow the competition to get too close, and with that as a goal it has teamed up with the E.U. to deliberately strive towards denying China access to top technologies. Secretary of Commerce, Gina Raimondo, was far from coy on the matter, stating for reporters that the goal is to keep Beijing from catching up. The US intentions to utilize the E.U. as a pawn, does face some challenges though, not all of its relationships with the group’s members are rosy, particularly its standing with France, who is still nursing a grudge behind America’s recent deal with Australia, that undermined the Aussies’ prior deal with, Paris, and cut it out of billions. There is a growing sentiment in Europe that America simply cannot be trusted. For YPN News, I’m Larry McGee. Caton, Jeff...back to you.

JEFF: Well, the sale of weapons has always been a big business but as we just saw there, if you’re not careful, you’re going to step on someone’s toes. The Quadilateral Security Alliance or Quad, as it’s being called, seems to have provoked a warning to one of its members just a few days after the group held their first in-person meeting. During a recent speech Sun Weidong, Chinese Ambassador to India, said in a recent speech, “We should adhere to the five principles of peaceful coexistence, respect the core interests and major concerns of each other, uphold strategic autonomy and refrain from interfering in each other’s internal affairs or engaging in any “alliance” or “Quasi alliance” targeting the other.”

CATON: Beijing’s reference to a Quasi alliance cannot be mistaken as India is one of the four members of the alliance. The first summit meeting was held at the White House hosted by American President Joe Biden. Those in attendance were Indian Prime Minister Narendra Modi, Japanese Prime Minister Yoshihide Suga, and Australian Prime Minister Scott Morrison.

JEFF: The goal, according to the security alliance, is to uphold international law and order, particularly in the Indo-Pacific region. The leaders have a lot in common, including the fact that they govern the four leading democracies in the world. Aside from their pursuit to protect the Indo-Pacific, the Quad has also promised to produce billions of doses of the covid vaccine in India to ramp up the supply to southeast Asian nations, that are lacking. And remember Caton, India was one that was hit so hard with covid there. The numbers were astronomical that they were dealing with. So, this is supposedly to help them deal with that surge.

CATON: But some are calling the Quad the “Asian NATO”. And everyone’s wondering if these types of alliances are going to worry China. China clearly doesn’t like such alliances being formed. On the flip side, the Chinese Ambassador was building up the importance of initiatives where Beijing has a seat.

JEFF: So is China’s government taking on a more aggressive tone with the world? Just look at China’s military which continues to build bigger and more advanced weapons. The latest among these, a stealth fighter jet with Chinese made engines, was just unveiled at the country’s largest air show. A spokesperson for the Chinese defense ministry, made the claim that, “Seeking to contain China is doomed to be futile and a failure.”

CATON: The relations between China and the US have been spiraling for a while now with the ongoing trade war, competition for new technology, human rights issues, Hong Kong, and where the coronavirus originated from. And we can add to that list, a war of words between the US and Chinese Air Force commanders.

JEFF: US Air Force Secretary Frank Kendall came on board President Biden’s staff in August of this year. His first job was to quickly get the United States Air Force’s 2023 budget together. Kendall explained to reporters, “The budget should field the kinds of leap-ahead technologies that scare China.” Well, China’s Air Force Commander, Wang Wei did not waste time in responding to Secretary Kendall’s statement saying, “the US can meet the People’s Liberation Army “in the sky”.

CATON: Wow. Sounds like fighting words. Of course, the major source of contentions between China, the US and the Quad alliance is Taiwan. China for the second time in one week, flew 19 of their aircraft over the Taiwan Strait entering into their air defense zone. One reason for China’s aggressive behavior could be because Taiwan is seeking to join the Pacific Trade Pact, with the hopes they will be admitted before China.

JEFF: In an interview with RT, retired general Jack Keane, said this type of behavior from China has been going on for over a year and he believes since the US pulled out of Afghanistan and the Taliban took over, this has also caused China to up its rhetoric with Taiwan. This might imply, since the US has left longtime allies like Afghanistan to fend for themselves, they could do the same to Taiwan.

CATON: General Keane said, speaking about the last two incidents, “I think one is the result of the Afghanistan collapse, the second though I think has to do with the Quad.” Keane explained, the informal alliance, known as the Quad, actually began during the Bush administration, was then revised during President Trump’s time in office, and as we just mentioned a little while ago is now holding meetings with President Biden. The first meeting via the video call-app Zoom and the second in-person, at the White House.

JEFF: The alliance being between, Japan, Australia, India and the United States includes three out of the four largest economies in the world, and while they are working on climate change concerns and distribution of the covid vaccine, their main concern and reason for coming together is to maintain peace and stability in the Indo-Pacific. But the People’s Republic of China is not liking any of this, and it’s apparent in their recent air shows over Taiwan. General Keane thinks this latest incursion is, “to put the pressure on the allies in the region and to put the pressure on Taiwan.”

CATON: Well, we know for sure there’s been a lot of debate in regards to Taiwan and a lot of those countries in the Pacific that China really wants to lay claim on. But as we’ve seen over many, many years, at least since the 50’s, the United States has been kind of putting its feelers out in those areas, establishing friendly relations with those nations. Even so much as to supply them with weapons and weapon contracts that is making China a little bit on edge about that because it’s basically like their enemy right in their back door.

JEFF: And with Taiwan as we’ve just mentioned now some are thinking, is the US just going to kind of leave Taiwan, like they did Afghanistan? Have them fend for themselves. So China is thinking this might be the time to make our move. And we know that Taiwan is really going to be that boiling point there between China and the US. We talked about Australia last time, that they are taking a pretty tough stance against China, but they are paying a pretty heavy price by all the sanctions and so forth that they’re receiving.
