## YAHCHANAN 14:29

So now I have told you before it comes to pass, in order that, when it does come to pass, you might believe.

The coronavirus, in itself, is now staggering. If you would like to know the prophecies in advance, read on. There is only one Being in the universe who can foretell the future accurately, in advance, and His Name is Yahweh.

The coronavirus is the first woe.

## REVELATION 9:4

And it was commanded them that they should not hurt the grass of the earth, neither any green thing, nor any tree—but only those men who do not have the mark of Yahweh in their foreheads.

## REVELATION 16:2

And the first went, and poured out his bowl upon the earth; and there came a noisome and grievous sore upon the men who had the mark of the beast, and upon those who worshiped his likeness.

## ISAYAH 45:19-22

19 I have not spoken in secret, in a dark place of the earth; I did not say to the seed of Yahaqob: Seek Me in vain. I, Yahweh, speak righteousness! I openly speak things that are right!

20 Gather yourselves together and come; draw near together, you *who have* escaped from the nations. They have no knowledge, who set up the wood of their graven images, and pray to a God (el) *which* cannot save.

21 Speak out, bring *your proofs* near; yes, let them take counsel together. Who has declared this from ancient time? *Who* has foretold it from that time? Have not I, Yahweh? And *there is* no source of power except Me, a just Father and a Savior; *there is* none but Me.

22 Look to Me, and be saved, all the ends of the earth; for I *am* Yahweh, and *there is* no other source of power.

## REVELATION 9:2-6

2 And he opened the bottomless pit; and there arose a smoke out of the pit as the smoke of a great furnace. And the sun and the air were darkened because of the smoke of the pit.

3 And there came out of the smoke locusts upon the earth; and to them was given power, as the scorpions of the earth have power.

4 And it was commanded them that they should not

hurt the grass of the earth, neither any green thing, nor any tree—but only those men who do not have the mark of Yahweh in their foreheads.

5 And it was granted to them that they should not kill them, but that they should be tormented five moons; months; and their torment *was* like the torment of a scorpion when it strikes a man.

6 And in those days men will seek death, and will not find it; and will long to die, but death will flee from them.

#### REVELATION 16:2-21

2 And the first went, and poured out his bowl upon the earth; and there came a noisome and grievous sore upon the men who had the mark of the beast, and *upon* those who worshiped his likeness.

3 And the second malak poured out his bowl upon the sea; and it became as the blood of a dead *man*; and every living thing died in the sea.

4 And the third malak poured out his bowl upon the rivers and fountains of waters; and they became blood.

5 And I heard the malak of the waters say: You are righteous, O Yahweh, Who is, and was, and will be, because You judge this way.

6 For they have shed the blood of Saints and Prophets, so You have given them blood to drink—such is their due.

7 And I heard another out of the altar say: Let this be so, Father Yahweh Almighty, true and righteous *are* Your judgments.

8 And the fourth malak poured out his bowl upon the sun, and power was given to him to scorch men with fire.

9 And men were scorched with great heat, and *they* blasphemed the Name of Yahweh, Whose Law protects the righteous from these plagues; and they did not repent and give Him glory.

10 And the fifth malak poured out his bowl upon the throne of the beast; and his kingdom became full of darkness; and they gnawed their tongues because of pain,

11 And blasphemed Yahweh in heaven because of their pains and their sores, and did not repent of their works.

12 And the sixth malak poured out his bowl upon the great river Euphrates; and its water was dried up, so that the way of the kings of the east might be prepared.

13 And I saw three unclean spirits, like frogs, *come* out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet—

14 For they are the spirits of demons who perform

signs, *who* go forth to the kings of the whole inhabited earth, to gather them to the battle of that great day of Yahweh Almighty.

15 (Behold, I am coming as a thief. Blessed *is* he who watches, and keeps his garments, or he will walk naked, and they will see his shame.)

16 And He gathered them together into a place called in the Hebrew language: HarMegiddo; *Armageddon*.

17 And the seventh malak poured out his bowl into the air; and there came a great voice out of the House of heaven, from the Throne, saying: It is done.

18 And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, *and* so great.

19 And it came to pass that the great city divided into three parts, and the cities of the nations, fell. And great Babylon came in remembrance before Yahweh, to give to her the cup of the wine of the fierceness of His wrath.

20 And every island fled away, and the mountains were not found.

21 And there fell upon men a great hail out of heaven, *every hailstone* about the weight of a talent. And men blasphemed Yahweh because of the plague of the hail; for exceedingly great is the plague of it.

What you just read is the end result of 6,000 years of the wages of sin.

#### ROMANS 6:23

For the wages of sin is death; but the gift of Yahweh *is* eternal life through Yahshua Messiah, our Savior.

Yahweh's prophecies show death and perishing.

Before the next fourteen months are finished, even the worst haters of the Sacred Scriptures, *The Book of Yahweh*, will see all prophecies shown in **Revelation 16:2-21** come to pass, if they are still alive.

The coronavirus is only the first of the seven last plagues. The next six have already started. All seven plagues will get worse as the next fourteen months progress.

As the Great and Honorable High Priest and King over the House of Yahweh, Yahshua, said, the coming fourteen months will be the worst time in all of man's 6,000 years history.

## THE END

Yahshua describes it all in one chapter.

### MATTITHYAH 24:3

Now as He sat on the Mount of Olives, the disciples came to Him privately, saying; Tell us, when will these things be? What *will be* the sign of Your coming and The End of the Ages?

The End! The End is not here by accident. The End, as the beginning, was prophesied.

### YAHCHANAN 1:1-3

- 1 In the beginning was the plan of Yahweh, and the plan was with Yahweh, and the plan was Yahweh's.
- 2 The same *plan* was in the beginning with Yahweh.
- 3 All things were done according to it, and without it nothing was done, that was done.

## THE PLANNED END

The planned End is shown to be the end of what causes plagues. The End of what causes plagues is

shown clearly in:

### ISAYAH 24:1-6

- 1 Before Yahweh's *very* eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;
- 2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:
- 3 The land will be utterly emptied and utterly plundered, for it has come to pass as Yahweh's judgment pronounced.
- 4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.
- 5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the ordinance, and broken the everlasting covenant.
- 6 Because of this, the curse (plagues) has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

Did you see the cause?

### ISAYAH 24:5-6

- 5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the ordinance, and broken the everlasting covenant.
- 6 Because of this, the curse (plagues) has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

**Verse 6:** the word curse (which has devoured the earth) means plague, as in the seven last plagues.

**Verse 6:** then comes the burning.

Compare:

### REVELATION 17:1-9

- 1 And there came one of the seven malakim who had the seven bowls, and talked with me, saying to me: Come, I will show you the sentence of the great whore that sits upon many waters,
- 2 With whom the kings (religions) of the earth have committed fornication; *practiced idolatry: Godworship (the worship of elohim)*, and the inhabitants of the earth have been made drunk with the wine of her fornication.
- 3 So he carried me away in the spirit into the *midst of Godworshippers* (worshippers of Elohim); and I saw

A photograph of Pope Francis in his white papal attire, including a zucchetto and a pectoral cross, smiling and gesturing with his right hand. He is standing in front of the ornate facade of St. Peter's Basilica in Rome, with its statues and clock visible in the background.

## REVELATION 18:4

**...Come out of her, My people,  
so that you do not partake in  
her sins, and so that you do  
not receive of her plagues**

a woman sitting on a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns.

4 And the woman was arrayed in purple and scarlet color, and decked with gold, and precious stones, and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication.

5 And upon her head was a name written: Mystery Babylon the great, the mother of the harlots and of the abominations of the earth.

6 And I saw the woman drunk with the blood of the saints, and with the blood of the martyrs of Yahshua. And when I saw her, I wondered with great astonishment.

7 And the messenger said to me: Why are you astonished? I will tell you the mystery of the woman, and of the beast that carries her, which has the seven heads and ten horns.

8 The beast that you saw was, and is not, and will ascend out of the bottomless pit, and go into perdition. And those who dwell on the earth will wonder—whose names were not written in The Book of Life from the foundation of the world—when they see the beast that was, and is not, and yet is.

9 And here is the mind which has wisdom: The seven heads are seven hills on which the woman sits.

**Verses 7 and 9** show a religion that sits on seven hills.

The Roman Catholic Church sits on seven hills.

The *Basic Everyday Encyclopedia*, page 451, gives us the following information concerning these seven mountains (hills).

Rome...Traditionally founded 753 BC...built on 7 hills...

*Compton's Pictured Encyclopedia*, 1948, Volume 12, page 144, also tells us about the city of seven hills.

...the "City of Seven Hills." ...the Capitoline, Palatine, Aventine, Quirinal, Viminal, Esquiline, and Caelian hills.  
...the seat of the papacy, the head of the great Roman Catholic Church.

### REVELATION 18:1-5, 8, 10, 17, 19

1 And after these things I saw one messenger, who was sent from Yahweh. He had great authority; and the nations were taught righteousness by him.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become the habitation of demons, and the hold of every foul spirit, and a place where its priests reject knowledge and they teach everyone to be unclean; to hate and get away from keeping the Laws.

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have

committed fornication with her, and the merchants of the earth have grown rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying: Come out of her, My people, so that you do not partake in her sins, and so that you do not receive of her plagues,

5 For her sins have reached unto heaven, and Yahweh has remembered her iniquities!

8 Therefore, her plagues will come in one day—death, and mourning, and famine; and she will be utterly burned with fire; for strong *is* Father Yahweh Who judges her.

10 Standing afar off for the fear of her torment, saying: Woe! Woe! That great city Babylon, that mighty city! For in one hour your judgment has come!

17 For in one hour such great riches came to nothing! And every sea captain, and all the company in ships, the sailors, and all who earn their living from the sea, stood afar off,

19 And they cast dust on their heads, and cried, weeping and wailing, saying: Woe! Woe, that great city, in which all who had ships in the sea were made rich through her wealth! For in one hour she is made desolate.

**Verses 10, 17 and 19** show a one-hour burning that will end the seven last plagues.

With nuclear bombs, is a one-hour burning possible?

Answer: Yes!

Dr. Theodore Postol, former advisor to the U.S. Chief of Naval Operations, a professor at MIT, nuclear technology expert.

Sophie Shevardnadze: *What happens, hypothetically, if there is a nuclear war? Will a doctrine like a mutual destruction doctrine ever work again?*

Dr. TP: ...somebody makes a bad decision with incomplete information, which is almost certainly what happens in the real world - information is never complete - you could have a massive use of nuclear weapons, and that, of course, would end civilization as we know it...

SS: *Now, Ted, tell me something. Explain to an amateur, to me, how does one launch a nuclear weapon? Is it as easy as pressing a button? How long does it take for a nuclear missile to reach its target?*

Dr. TP: The ballistic missile could be fired, basically, within 50 or 60 seconds, more or less, after alert being given to the operators. The rocket will then ignite...then it would release warheads. The warheads would float in the near vacuum of space under the influence of gravity and momentum, and in about 20-28 minutes would arrive at their targets, re-enter the atmosphere and explode. So the world could be, basically, finished off in anywhere from half hour to an hour upon the arrival of these warheads. ... most nuclear warheads would be delivered in a very short time, probably within half hour or an hour interval.

Sinners will destroy the sinners. Hopefully, the whole House of Yahweh will remain alive and see this great burning. The sinners destroying the sinners.

#### I CORINTHIANS 6:9-10

9 Do you not know that the unrighteous will not inherit the Kingdom of Yahweh? Do not deceive yourselves. Neither fornicators, nor Godworshippers (worshippers of elohim), nor adulterers, nor men who commit sexual perversions with boys, nor men who commit sexual perversions with other men,  
10 Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, will inherit the Kingdom of Yahweh.

#### II CORINTHIANS 6:14-18

14 Do not be unequally yoked together with unbelievers. For what fellowship has righteousness with unrighteousness? And what fellowship does light have with darkness?  
15 And what harmony can there be between Messiah and Belial; *worthlessness: Satan*? Or what share does a believer have with an infidel; *untrustworthy, not faithful, not true nor loyal*?  
16 And what agreement does The House of Yahweh have with Gods (elohim)? For we are the House of the living Father. As Yahweh has said: I will dwell in them and walk among them. I will be their Father, and they will be My people.  
17 Therefore: Come out from among them and be separate, says Yahweh. Do not touch the unclean, and I will receive you.  
18 I will be a Father to you, and you will be My sons and daughters, says Yahweh Almighty.

Repent! You need to repent now.

#### ACTS 3:19

Repent therefore, and be converted, that your sins can be blotted out; that times of refreshing can come from the presence of Yahweh.

#### MATTITHYAH 6:33

But seek you first the Kingdom of Yahweh and His Righteousness, and all these things will be added to you.

The last plagues of the last days.

#### MICAHYAH 4:1-3

1 But in the last days it will come to pass *that* the mountain; *promotion*, of The House of Yahweh will be established in the chief of the nations. It will be raised above all congregations; and all peoples will *eventually* flow to it.  
2 And many nations will come and say; Come, and let us go up to the mountain; *uplifting*, of Yahweh, and to the House of the Father of Yahaqob, and He will teach us of His ways, and we will walk in His paths. Because the Laws will depart from Zion, and the word of Yahweh from Yerusalem.  
3 And He will judge between many people, and rebuke strong nations afar off; and they will beat their swords into plowshares, and their spears into pruninghooks. Nation will not lift up a sword against nation, nor will they learn war anymore.

We are here to help.

Yahweh bless your understanding.

# WHAT OUR READERS ARE SAYING...

## Isayah 53

*poetic rendition*

Who has believed our report?  
The arm of Yahweh revealed to what sort?  
He grows up before Him as a plant, so tender,  
As a root out of a dry ground, so slender.  
He has no beauty, comeliness or form,  
Nothing to desire, He's forlorn.  
He is despised and rejected by men, in brief,  
A man of sorrows, acquainted with grief.  
Our faces, as it were, from Him we hid;  
He was despised, and esteem Him not we did.  
Surely, He carried our grief, sorrow, and  
affliction;  
Yet, we esteemed Him stricken, by Yahweh  
smitten.  
He was wounded for our transgressions;  
He was bruised for our sins.  
By His stripes we are healed;  
The chastisement for our peace was upon Him.  
All we like sheep have gone astray;  
We have turned, every one, to his own way.  
Laid upon Him was all our sins.  
He was quiet, though oppressed and afflicted was  
this man;  
He was silent as He was led to the slaughter as a  
lamb.  
As sheep before its shearers is silent,

He opened not His mouth, nor was He violent.  
From prison and from judgment He was taken;  
Who will declare His generation?  
For He was cut off from the land of the living;  
For the transgressions of My people He was  
stricken.  
With the wicked and rich did He make His grave;  
He had done no violence, nor was deceit with His  
mouth made.  
Yet, in His willful sacrifice, Yahweh took pleasure;  
For His grief was no small measure.  
Now He has brought the offering for sin;  
Prolonged days will be through Him.  
His seed and labor of soul, He will see;  
In His hand the pleasure of Yahweh will succeed.  
By His knowledge, My righteous Servant will  
justify many;  
He'll be satisfied, for He will bear their iniquity.  
Therefore, I will divide Him a portion with the  
great;  
Because to death, His soul was poured strait.  
He will divide the plunder with the strong;  
He was numbered with those who do wrong.  
He bore the sin of many, and made intercession,  
For the transgressors, because of transgression.

But in the days of the voice of the Seventh Malak, when he will begin to sound, the Great Plan of Yahweh would be finished, as He declared to His servants the prophets. —Revelation 10:7

## **The Kingdom Of Priests Will Bring Peace To The Universe #8: The Prophecies Of The Two Witnesses Warning The World Of Disease And War (07/23/05)**

1 Praise Yahweh! You may be seated. May the peace of Yahweh be with each and every one of you.

2 We've got a lot to cover today. We may not get to all of it but I hope we do. The propaganda is starting up again. I don't know how far it will go, I just know there's no need for you to fear. Don't think you don't have to be concerned. I'm not like this half-full, half-empty glass. Do ya'll remember that? You can look on it as half-full or half-empty. The first time I heard that was in college and I knew then it was the stupidest thing I'd ever heard. It's right up there with the three monkeys, "Hear no evil, see no evil, speak no evil." Isn't one smell no evil? You just let it all go by, but you're going to get it whether you close your mind or not. It's best to stay alert and see this evil, smell it around you and know it's there and try to avoid it.

3 I saw these articles on my desk this morning. I've been quoting them in the writings. *U.S. Defense Spending Is Half The World's Total*. Do you all remember when the word **disarmament** was so popular? Russia was blow-

ing up all their atomic weapons and America was getting rid of theirs. They were saying it was only going to be a short time and then there would be no nuclear weapons left. Well, that passed and now they got them back again somehow. I don't know how they got all the weapons back.

4 This news article says *China's Dissatisfied With Trade Limits*. This was what brought on the war with Japan too. *Russia, China and India Agree On Cooperation Against Terrorism*. They're kind of veiling it to where it looks like they're speaking against the United States.

5 *New Fear For Oil...* Keep these in mind because I'm going to cover the Scriptures on them. The Scriptures say, "Hurt not the oil and the wine;" that's a clue as to what it's all about. *The Great U.S. Mad Cow Cover-up Begins To Unravel...* I don't think they'll ever get it unraveled.

6 *Flu Pandemic Could Kill Half-Million In U.S...* Now, it says half-million so you could look at that glass as half-full or half-empty. *Western Blot Signals Phase Six Of Bird Flu Pandemic* and then that pandemic could kill

half a million in the U.S. *Loopholes In Ban On Cattle Remains In Feed...* That's what this article is showing. *U.S.D.A. Kills Twenty-nine Cattle Linked To Mad Cow Disease...* I don't know about you, but boy, that makes me feel better! I'm glad we got rid of those twenty-nine milk cows! Will that straighten things up?

7 They have the Mad Fish. *Europe Urged To Stop Feeding Fish To Fish.* Now, as you know, some fish are designed to eat other fish. They only eat parts of fish and then the parts they don't eat are filtered out and go to the bottom. There, other things like shellfish (and human beings!) eat that part. That's the really crappy part that the fish refuse to eat! One of these days they're going to wake up to the fact that they're doing all the wrong things to have health or peace.

8 *China, Russia Warn Against World Domination.* They're getting upset about this. They can't back off either because they're demanding that the United States get out of Europe now.

9 *U.S. Military Says That It Can Defeat Nuclear North Korea...* This country can, but can they defeat them, Russia, China, and all of them put together including India? It's an impossible thing that the United States is tackling here.

10 *Russia Will Equip Iran Subs With Missiles...* These are missiles that can reach the soldier boys in Europe. *Asia In Danger Of AIDS Explosion...* The world is dying.

11 Speaking of this, brethren, I believe all of you who have children need to listen closely to me. You really need to be talking to your children. If you would sit down with them at a quiet time where you can listen to a tape with them and talk about the tape, you will enforce things in their minds that they're not getting on their own from these sermons.

12 Some young people do not get all the things that the grownups get from these sermons. If you would talk to them about the sermon and stop the tape and say, "Did you get that?" it

will give you something to talk about with your children. Your children, I know, will appreciate it. When your children are trying to ask you a question and you're brushing them off to get them out of your hair, you're not doing your job. Your job is training your children and answering their questions for them. The best way to do it is to get one of these tapes and listen to it (*The Education In Prophecy Program*). Stop every once in a while and talk about what's being said.

13 *The blood:* I brought you this the last time that they're using the plasma as binders in food. This is going to go into several foods; it's already in several foods. We're watching everything very closely to make sure we tell you about it. This article is called *The Importance of Plasma* and they try to show that it's necessary. It is, but not in your food supply and not with somebody else's blood mixed in yours.

14 *The E.U. Scientists Conclude That Food Additives For Binding Food Are Safe...* Even a child should know better than that. They admit that the life is in the blood. This very next article I have here shows life is in the blood, just like the Scriptures say. I brought that out years ago, even before we had all these Scriptures translated properly. We understand that the blood is full of these germs. They show that in this article.

15 *GM Industry Puts Human Gene In Rice...* You better get some of these things supplied for yourselves. I say right now, if you don't have enough lentils, rice, corn or wheat, get some. I can't buy it all, but we're trying to. We're trying to get clean wheat and clean corn. We've been successful in a lot of our efforts. We just bought a huge supply. That's not going to supply everyone's needs. You need to get some of these things for yourself. If you like pinto beans, you need to get some. If you like the white navy beans, you need to get them before they're all screwed up.

16 There was one article, I don't know if Kahan Yedidiyah read it or not, but it showed how vulnerable our food supply is and how it could be contaminated just overnight by the opposing army that's fighting against the U.S. and Israel and all the ones who are trying to stop the Moslem religion and take them under control.

17 The propaganda that's coming against us, Yahweh shows it's going to. If you noticed on the news yesterday, they twisted everything around. One person who works in the TV station told them, "That's a bunch of bull crap and you know it," when they were making the clip. That's the way she put it, "That's a bunch of bull crap and you know it." I don't know, they may fire her for it, but she said it. This propaganda shows hatred. If you remember, it's nothing new. They did this same thing against Yahshua and against all the prophets. You don't have to fear it. You don't have to go around it and you need to avoid it all you can.

18 Remember this, here's the last prophecy that was spoken about The House of Yahweh and when the world will turn to us. It's **Zecharyah 14:16**, which says it will come to pass that everyone who came against the priest who will teach peace will also go up from year to year to worship Yahweh of Hosts and keep the Feast of Tabernacles. They go up to The House of Yahweh to do this. That's what Yahweh shows is going to take place. That's at the end of all this mess.

19 Those who survive, we will welcome them into the House. They will be turning to Yahweh, those who survive. All the proud and all who do wickedly are going to be burned up, the Scriptures say. That's the outcome of it and I believe this outcome.

20 Now, the last time I spoke, I brought you some information on drinking water. This is a very serious thing. In fact, it's worldwide now. The earth is contaminated, Yahweh says. His judgments are true. What we've been saying

at The House of Yahweh for years is that the water supply is going to be contaminated and the food supply is going to be contaminated. The earth mourns and fades away while Yahweh's Way is going to grow and take over the entire universe, eventually.

21 Several of you asked for copies of this so I'm going to have some copies made and put them somewhere so you can get to them, maybe on the offering boxes. You should have gotten it in the mail if you have a Eula water meter or an Abilene city water meter. I noticed the one in Abilene was a little bit different, but they just said it differently; they still have the same contamination.

22 The paper showed what was in the water. *The risk of infection by Cryptosporidium and other microbial contaminants is available from the safe drinking water hotline...* If you want to get the reason for this, they even give you a number to call. What they're trying to do is save themselves from lawsuits. I got some more information. This article was sent to me by one of our doctors in the House.

23 We do have qualified doctors; we have qualified herbalists who are licensed. They didn't bother to tell that yesterday on the television set. These people are licensed. They have state licenses to do these things and take care of people. No laws were broken in doing so. People get infections from hospitals all the time, but there is nothing the hospitals can do about certain infections. If there were, they would do something to begin with. They keep warning people that these antibiotics will not kill this infection. They won't stop heart disease either.

24 There was a captain on the police department who got his hand infected. They cut his hand off at the wrist. Then, they went back later to cut it off at the elbow. They had plenty of antibiotics they were using, but they didn't stop the infections. This was a captain on the Abilene police department. The third time they

operated, they cut his arm off to his shoulder. They couldn't go any further without taking his head off. He died.

25 Once the infection starts in you, it's very hard to stop. Doctors can't do anything with it when it gets that bad. They even tell you this in the articles. I've read you article after article showing that they're saying the door is closing; there's no way you can stop it with what they have. They are hopeless cases.

26 This article here is talking about drinking water. It says, *Inescapable Heavy Metal Toxicity. You may as well face it, we're getting from our drinking water pesticides...* That's the main thing that's flowing into the lakes and streams that these goofy suckers are out spraying with planes. Somebody said they saw a plane over our fields. We didn't hire that sucker to come in and spray our land. He actually wasn't over our land, he was north of it, but it just looked like he was. Pesticides are going into the drinking water, the streams, the rivers, and the lakes, all the time.

27 ...*radiation and mercury are there. Dental amalgam fillings...* These are also going into it. I don't know what this word is but it comes from cigarettes and second hand smoke chemicals which are in the air. They're also going into the water. ...*lead from tap water and lead based paints...* These are all found in the water supply. ...*Any of the toxic metals, including aluminum, cadmium, lead, arsenic and mercury may block magnesium metabolism in our bodies. Magnesium is a crucial mineral necessary for electrical stability...*

28 Remember, I told you the body is totally electric. There are no chemicals that are supposed to be in your body. They try to take chemicals, drugs, to fight these things but when they do, they mess up something else in your body. They're not meant to be there.

29 ...*Magnesium is a crucial mineral necessary for electrical stability for every cell in our bodies...* It's something you've got to have

in order for your body to function properly.

30 I was trying to find out exactly how syphilis works and how it actually causes the teeth of children to rot. They were explaining it to me last week from the information they had looked up on the Internet. The lab technicians did this along with one of the doctors. They were explaining how this actually makes the teeth rot. Your body has over three trillion electrical computers. Now, I don't know who counted them and they may have gotten one off somewhere but this is what they came up with!

31 Now, the syphilis invades what we call the nervous system of your body. This is what is actually electric. Syphilis invades the nervous system and gets in, sometimes on the back of proteins or on some kind of molecule. It invades the nervous system. The major computer, the motherboard, gives your stomach instructions. Your stomach is where you take your food in and it separates it and sends different parts of the food to different areas of the body, wherever it's needed or the body asks for it. Now, think of a computer virus. That's what syphilis is in your body; it's a computer virus. Say your teeth are asking for calcium and they send some toxins from your gut because they were confused by the syphilis so your teeth start to rot. It's that simple. Now, if your organs are asking for what they need, your eyes or your lungs or wherever it is that the syphilis has invaded, the syphilis causes confusion and the organ shuts down. The organs get confused then they start doing things they're not supposed to do and eventually you die.

32 That's what's taking place here. We're getting these bugs in our bodies and we're getting them from drinking water. We're getting them from the air, too, because everything is polluted. There are certain things you can do. One of them is the oral chelation, which grabs ahold of things in the body and flushes them out. That's the oral chelation. It's available for

you if you want to go to work on your body. The longer you wait, the more you will need it; the worse you will need it.

33 If anyone is interested, I noticed a thing that was also sent to me in the mail about skills you can learn at home. Here are just a few: *diesel mechanics, electronics, mechanical engineering technology, small engine repair, carpentry...* You can actually train to be a carpenter at home. To me, that's a wonderful trade. I like to build; I used to do it all myself with a hammer (a regular hammer, not an air hammer) and a handsaw. I sawed all my lumber with a handsaw. I could get it perfect. I got skilled at it where I could get it perfect most of the time! A carpenter is what Yahshua was; He was a carpenter. It's a great trade to follow.

34 It also has here *catering, gourmet cooking*, if anyone's interested in cooking. You can take this right at home. *Home remodeling and repair, interior decorator, photography...* We need photographers in the House. We can never get enough of them. *...plumbing...* You can learn plumbing. *...professional landscaping, professional locksmiths, teachers' aids...* I'll keep this and if you're interested I will try to get it to the receptionist so she can give you the phone number for it if you want it.

35 *The Cryptosporidium, which causes Cryptosporidiosis, is an intestinal protozoan and initially described as causing severe diarrhea in livestock...* The way the livestock got it was from human beings. They didn't get it from drinking fresh running drinking water that was pure. They got it from mankind who got his manure and everything into the drinking water. It was already in human beings, but they just now discovered what was causing it. At the same time it was getting into the animals' drinking water, it was also in ours.

36 I read this to you before, but I just want to rehearse it a little. They show in daycare centers that *sixty-five percent of the children had Cryptosporidium and ten to fifteen percent*

*of the schools examined from asymptomatic children...* Those are ones who don't show any symptoms. *...in their centers were found to have these parasites...* Parasites that live off your body.

37 There is also giardia found in this. It says *it's more prevalent in children and those with immuno-deficiencies than in the others. Their vitality is not affected by the normal concentration of chlorine...* That means these parasites are not affected; they're not killed. *...their vitality...* Of these parasites. *...is not affected by the normal concentration of chlorine used to purify the drinking water...* They are treating the water with chlorine, which is also giving the person who drinks it bad side effects. This is what accumulates in the pineal gland of your brain and it builds up. Your body can't get rid of it and it causes all sorts of things later.

38 *...The incubation period is about two to seven days. The infection is characterized by acute onset of watery diarrhea, nausea, and abdominal cramps. Infection is self-limited...* Now, this is a lie. It's not self-limited. They admit in other articles that your body doesn't really get rid of all of it. They find homes. Your body tries to keep it confined while finding something that will kill them. *...resulting in weight loss and malnutrition...* Now, malnutrition is what they want to try to stop.

39 I saw this in the articles that Kahan Yedidiyah read to you this morning about the government trying to take over the vitamin and mineral supply that you're free to get right now. I would urge you to do so. If the government takes it over and they do like they've done in other countries, they will be limited to prescription only. Now, if you can't build your body's immune system up, and your nutritional system up to where your body can get the nutrition it needs, then it makes you susceptible to everything that comes along. They admit that in this article.

40 ...*weight loss and malnutrition. Diarrhea may also become chronic...* **Chronic** means *reoccurring, deeply rooted, deeply seated, continually, persistent, stubborn, incurable*. This is what they admit that you're getting from the drinking water. They know nothing that will stop it. What they're putting in the water is as strong as they can put it; but it doesn't affect the ability of the parasites in any way to breed and give you trouble. That's what we're facing in the contamination of the water supply.

41 Now, our job is to work, the Work that will reach every household in the world, telling them what the world is doing to themselves. We must add The Peaceful Solution to all religions. I mean just that. We need to add it to all religions. This is what I'm trying to do in the talk shows, and radio shows. I just signed a contract where we will reach over a hundred million people. Praise Yahweh.

42 This will reach all of Europe. It will reach partly into Russia, all of Israel, several parts of Asia. It will reach over a hundred million people altogether if you can think that big. It reaches over a hundred million people. This was put in our lap. It was offered to us and we sucked it up so fast they didn't have time to resist. The contract is already signed. Praise Yahweh.

43 Now, the Scriptures show, and this is what I want to go into, that we are the ones who are going to show the world that what they're doing is bringing the curses upon themselves. What Yahweh told them to do would actually get rid of these curses. That's our complete job that's given to us in the Holy Scriptures.

44 Everything is falling into place at this time. The nations are angry, as I read you. They're angry and they don't like what's taking place with the United States. Europe doesn't like it. I guess the United States wants something they have over there or wants to change things over there. They're not going to stop their plans. If you remember, in Malachi Martin's book,

*The Keys Of This Blood*, he shows that this bloodline is going to take over. That's what he says. It's called *The Keys Of This Blood*.

45 It's a very boring book to read. If you have the patience enough to read it and pick out what the man is saying, he shows that this bloodline includes the leaders of the world, including the ones of the Great Eight, who all went to the same schools. They have academies set up and no one gets into those high offices without coming from those academies. That's the reason Malachi Martin said it wouldn't make any difference who was president. This plan is in action and it's not controlled by the president; he just carries out orders. He's kind of the hit man.

46 The Great Eight is very active. If you noticed, they just pledged three million dollars to the Palestinians. This is buying the ones who would cause the most resistance to the sites that are called holy in Israel. The holy sites are what the Catholic Church wants. The Catholic Church hopes to come out on top, Malachi Martin says. They're working as hard as President Bush is to do so.

47 This is what our job is. Yahweh's judgments are true; the nations are angry. Yahweh's judgments have come to pass and are coming to pass, just like He said they would in the Scriptures. His judgments are put into the prophecies. The prophecies say, "If you do this, you're going to suffer in this manner; this is what you're going to bring upon yourself."

48 The nations are doing these things to cause and spread these plagues, confusion and war. We're putting that information out. That's our job; that's what Yahweh has told us to do. That's what He showed Yahchanan. He showed Yahchanan what The House of Yahweh would be doing in these Last Days.

49 Now, we got down, if you remember, to **Yahchanan 14:4**. We saw how Yahshua had healed certain people. Then in **Yahchanan 8:11** He says to go and sin no more lest a worse

plague comes upon you.

50 Remember the water supply; all of these things are taking place in the whole world, in the entire world. When I was in Canada, they had signs up on the Great Lakes where the big boats would come in and dock, that said not to eat any more than I believe two ounces of the fish you caught there because of the high levels of mercury. That hasn't changed. They've contaminated it. If you can imagine the Great Lakes there and how big they are, they look like oceans. When you get out there in them, they look like the ocean. They're huge but they're all contaminated. The water is totally defiled in the Great Lakes.

51 If you'd go to **Revelation 11** now, here is where our job is specified. It was actually shown to **Yahchanan**. If you'll look at this closely, you'll find this very interesting. It's very interesting that Yahweh is talking about us. It could not be any others. We're the only ones on earth who are fulfilling these prophecies.

52 **Revelation 11:6. These hold Yahweh's authority...** I'll read the exact words to you later, but it actually means *the Kingdom of Heaven*. They hold His authority or the Kingdom of Heaven says this is the way we will handle this situation. This is the last one; this is the seventh light on the menorah, on the seven lampstand. This is it; it's the finishing Work of Yahweh. Keep that in mind. We're telling the world, "What you're doing is causing these plagues to come upon you. If you'd follow Yahweh's Laws strictly and not change His Laws, then you would not have these plagues coming upon you."

53 **These hold Yahweh's authority...** Yahweh's authority or the Kingdom of Heaven. The original there says the heavenly authority. ... **to shut the heaven...** I don't want to spend all the time explaining that one. ... **in order that rainfall does not rain the days of their prediction...** Notice, the prophecies. They're

bringing out certain prophecies to these people.

54 They could stop this anytime they wanted to. My brother wasn't forced to; I'm not forced to. I'm being led and inspired and it's on my mind day and night. I can't work hard enough or fast enough to get this done, but we don't have to; we're not forced to do it. Yahweh's not making us do it with a chair, a whip and a gun as animal trainers do.

55 **...the days of their prediction...** The days when they bring forth these judgments of Yahweh. **...and Yahweh's authority they have over the waters, to turn them into blood...** It's not that they turn them into blood, they predict that what the world is doing is going to turn the water, oceans, lakes and streams into death. That word **blood** means death, full of life of all kinds, evil parasites that can destroy your body. They have the power to tell and bring this prophecy to the world that what they're doing is going to bring death to all the waters. That's what I'm reading you here.

56 Now, remember, this is not the worst of it at this time. In this time period right here, you have to keep in mind **I Thessalonians 5:3** that this is going to come upon the world as pains upon a woman with child. It's going to come in these Last Days rather rapidly. The last three and a half years started April 13, 2004. We're over a year into this right now. You can see how right now, even our local lakes are contaminated. Praise Yahweh our underground wells are not contaminated. That's not to say that they couldn't be. I praise Yahweh that He shows this is the protected place.

57 **...into blood...** That means *death*. **...and to strike the earth with every plague—as often as, provided, they should will...** That word in the King James Version is "smite" and we put it **strike**. It does mean strike like with a fist or with a hammer. What it conjures up in the people's minds is that we're going to cause this plague. We have nothing to do with the cause of it. We're trying to get people to stop

causing these plagues. Yahshua did the same thing.

58 **Strike** means *to smite or strike, of judgment meted out*. In other words, the Kingdom of Heaven gave this judgment and says, “We’ll give man so long, and then all of this will develop. By this time in the history of mankind, we’re going to see the earth contaminated and defiled. We’re going to see the waters contaminated and defiled.”

59 All of this took place before the earth was created and man placed upon it. All of these plans were made to be carried out on earth, even the plans for the Two Witnesses in the Last Days. All of it was planned before man was ever created and put on the earth. That was Yahweh’s Plan to create mankind in His image and then give him authority to bring about the will of the Kingdom of Yahweh on earth. It was planned to be so.

60 So what they translated **smite** actually means *judgment meted out to some person; the judgment of infliction of disease...* That’s what we see in the articles that Kahan Yedidiyah was bringing you today. Disease also causes the confusion of the mind, just as it causes the teeth to rot. Children are actually born with it and, as soon as their teeth start coming out, they’re rotting because of syphilis that took place in their dad, mother, grandmother and so forth before them. They were born with this.

61 *...judgment of plagues to be inflicted upon man...* Or if you put it the other way, judgment of plagues to be brought about by mankind because of his rebellion and his fruits. You see in **Revelation 11:6** that their predictions are to warn. Remember their predictions. These are predictions that these diseases will strike the earth.

62 Yahshua had to do this same thing. Turn over to **Revelation 19** quickly. You will see it clearer what I’m trying to get over to you. This is speaking about Yahshua right here.

63 **Revelation 19:15. And out of His mouth**

**goes a sharp, two-edged sword...** Is this one that He cuts the heads off with? **...that with it He should strike the nations...** He smites the earth with His two-edged sword the same as the Two Witnesses smite the earth, giving the judgments that were meted to them to give. **... and He will rule over them...** That word **strike** actually means to tend, guide, or teach. All of this is going to be corrected in the near future. If I had ten more Kahan Yahodahs we’d have it already done but I only have one! I’m working him overtime. He’s doing it willingly! We’re working on it.

64 Yahshua smites but His instrument is His Word, described as a sword here. It’s the Word of Yahweh. He strikes them or corrects them with the Word of Yahweh. That’s how we’re striking them and how we smite the earth. We’re telling them about these plagues and telling them that they haven’t seen the worst of it yet.

65 What they’re doing right now and the infections they’re placing in their bodies are getting together. It’s like Russia, China, India and Iran getting together to fight the United States. That’s the same thing that’s taking place in their bodies and they’re not doing anything to get rid of the parasites. They’re not cleansing even though the Scriptures tell you to cleanse. Why is that not being taught by the churches today? Cleansing is spoken of throughout the Holy Scriptures. That’s what Yahshua did. He cleansed them and healed them. He did that for many of them, not all of them, but many of them.

66 In the original of **verse 6**, it says *heavenly authority, the earth...* Which also includes the inhabitants of the earth in every instance where this is used. When it says earth it includes the earth, the soil, but it mainly means the people of the earth. *...And they took of the people...* This is talking about the witnesses doing their jobs.

67 Go back up to **verse 7. And when they**

*may finish the testimony of themselves...* Now, in this chapter, you see that there are two things they do. One, they testify, "We are the witnesses." When they have finished the testimony of themselves, then ...*they take of the people, and the tribes and the tongues and the nations...* Lastly, the nations, that's what we're doing now.

68 I didn't tell you the best part about this new TV station: We're on it twenty-four hours a day. Praise Yahweh is what I said too! We're on twenty-four hours a day. Whether you're in Israel or any part of Europe, you can tune that station in twenty-four hours a day. A lot of people have clickers and keep changing the channels! If they tune that in, any time, day or night, twenty-four hours a day, they're going to hear The House of Yahweh warning the nations of the things to come.

69 First, they finish the testimony of themselves and then they take of the peoples and tribes and tongues and lastly, nations. These are the ones who were translated "dead bodies" in the *King James Version*. I guess it's amazing what a dead body can do! They'd like to have us dead, but Yahweh says no.

70 Now, in Yahshua's case, in **verse 15**, it says, *He may smite the nations and He may tend...* The original translated this differently than the *King James Version* and differently from us. That word **tend** there means *to take care of, to manage and to operate*. That means to show them how to live by teaching them.

71 Remember, **Revelation 11:6** and **7** speaks of the days of the witnesses and when they've testified about themselves and then they take of tribes, peoples and nations. Then, it speaks of the plagues. Let's go back to **Yahchanan 8**. This is not a hard subject to understand but you have to get all the Scriptures in mind in order to have them all in one bundle in your mind in order to understand.

72 Remember **Revelation 11:6** and **7** says they finish the testimony of themselves and

then they take of tribes, peoples and nations. This all takes place during the days of their predictions.

**73 Yahchanan 8:11. She said, No man, Teacher. Then Yahshua said to her: Neither do I condemn you. Go and sin no more...** Then, in **Luke 7:21** we see partially the same thing here.

**74 Luke 7:21. And at that same time He cured many...** Do you notice that He didn't cure them all? He was able to cure many. He would put them on a cleansing program. Remember, He said to go to the priest and cleanse yourself. He said to take their cleansing program. That's part of it. That's part of everybody's job to do.

**75** That's the reason I keep telling you that you need to get rid of these parasites. That oral chelation won't get them all but it will get a gob of them out of your bloodstream that are in there.

**76 Luke 7:21. And at that same time He cured many of their diseases, plagues, and evil spirits; and many who were blind...** Not all of them, but some of them who were blind. **...He gave sight...** But not all.

**77** Now, this word **plague** actually means *disease or plague*. I want you to go back to **Deuteronomy** now with this in mind. Tie it in with what Yahweh said was going to come. Here in **Revelation**, He's predicting that the seventh Work would bring this information to the world.

**78 Deuteronomy 28:45. Moreover, all these curses will come upon you...** He's telling them that if you don't keep these Laws, this is what's going to take place in your life. This is one of the predictions here. **...and will pursue you, and will overtake you, until you are destroyed...** That is, mankind. **...because you simply did not obey the voice of Yahweh your Father, to keep His Laws and His statutes, which He commanded you...** If you break one, it starts the ball rolling.

**79 Verse 46, And these curses shall be upon**

**you and on your descendants forever...** If you don't follow His Laws, these curses that we just read and Kahan Yedidiyah just read, are going to be upon you forever. **...for a sign and for a wonder...** To who? To the universe. We're going to see that plainer in **Revelation** in just a little bit.

80 It's going to be for a sign and a wonder. We'll see plainly that this is all being shown to the Kingdom of Heaven and to all the universe, those who are left alive, the ones who are still alive on the planets.

81 **Verse 47, Because you did not serve Yahweh your Father...** Because you did not take these Laws to heart to keep everyone of them. Because you didn't do this, your children will be born with syphilis already in their bodies, where their teeth grow rotten or decayed, with some organs in their bodies that are not functioning properly. Then, their immune systems are down to where any little infection could come and take place in their bodies.

82 All of this takes place because of illegal sex, illegal food, illegal actions in your life and a screwed up, defiled environment, with defiled water and air.

83 **Verse 47, Because you did not serve**

**Yahweh your Father joyfully...** This is something else we all need to work on. We're not proving we can work in the Kingdom of Heaven with the malakim, we're proving we can work with our brothers or sisters or wives or children.

84 That's the reason I say we need to be sitting down at a certain time of day with our children, listening to these tapes and talking about these things that are being shown week after week here and what Yahweh prophesies that we, The House of Yahweh, will be doing in these Last Days.

85 **...and with gladness of heart...** Someone was confessing to me this morning and this person said she wasn't as joyful today as she thought she should be. I said to think about what Yahweh has called you for. Think about this great Kingdom of Heaven that He has offered you where you can actually get rid of all this crap. Yahweh actually shows that. He shows that when we are finished, we're going to have these things confined and all these parasites confined.

86 We'll go into that in the next sermon. May Yahweh bless you. I'll turn the services to the next speaker. I love you, men. May Yahweh bless you.

...today's news fulfilling bible prophecy

**JEFF:** Welcome to another edition of YPN News, bringing you news that relates to bible prophecy, and foretold by Yisrayl Hawkins. Well, we're going to talk about the latest on the Ukraine crisis. Things are really beginning to heat up. Also, China and Russia, two of the world's superpowers strengthening their ties together. We're also going to look at the latest on North Korea who tested another missile. So, we'll have those details, but first we're going to start with the water and what is taking place here with some of the sewer going into the water and some of the fish die-offs that have recently taken place.

**JEFF:** The CDC is now tracking covid and its various mutations with a new dashboard at wastewater treatment plants. Please take a look at this short video for more details. (Video Link: <https://abcnews.go.com/Health/cdc-launches-covid-19-wastewater-surveillance-dashboard/story?id=82672272> )

**CATON:** A lot more evidence is coming out regarding their tracking of covid in the wastewater, which is evident it's already in people, giving them an indicator of how widespread it is in the city before it starts showing up in hospitals. Well, residents of Mesa, Arizona are wondering why the fish are dying in the consolidated canal that runs through their city. People in the community started noticing the problem a couple days ago and it's already affecting all fish in the canal, large and small by the dozens now. So far though, no one knows what's causing the fish to die.

**JEFF:** One man told Arizona Family News, "I ride my bike down this path a couple times a day and I've noticed a lot of fish belly up." Not only can people walking and biking see the dead fish floating but they can also smell them. Tony Alba travels up and down the canal path every day. He pointed out that the ducks are not even going in the water, which is unusual and said, he's never seen anything like this.

**CATON:** And being that it's Arizona, I'm sure the heat is not helping those conditions either. The owner of the 132-mile-long canal is Arizona's largest utility company, SRP (which is short for Salt River Project). The not-for-profit community-based company, supplies both water

and power to the community. SRP said they stocked the canal with 44,000 White Amur fish to help keep it clean. Arizona Family News saw one of SRP's trucks driving along the canal taking pictures. A lot of people are taking notice as the fish continue to float down the canal in the direction of the current.

**JEFF:** While residents have their own guesses as to why the fish are dying, SRP was having their own environmental scientists examine the canal. The company is saying it might be that these fish didn't survive the recent cleanup from the water being emptied and returned or there could be bacteria killing the fish. But as of right now, there are no known water quality issues with the canal therefore, no one really knows what's going on.

.....  
**CATON:** Moving from one water problem to the next: This time we are in drought stricken eastern Ethiopia where they have been experiencing two years of very low rainfall in the lowland region. Now the United Nations reports, over 4 million people have critical water shortages, and the livestock that they count on for survival are dying by the tens of thousands.

**JEFF:** While journalists have been restricted from having access into the country, the UN has released a video from the Somali region. In the video you can see a mobile clinic set up, and people getting some assistance. Right now, hundreds of thousands of people are dependent upon the support the UN Children's Fund is giving for their health and nutrition.

**CATON:** According to the UN there are about 200,000 malnourished children right now, but those numbers will continue to quickly grow. Mobile clinics set up by the UN Children's Fund, provide help like vitamin rich therapeutic feeding paste, which can pull some children through starvation. Now the livestock these people depend upon have to be walked further and further each month in search of water to sustain them. And the water they find is in very shallow pools which are not easy to draw from, but at least it's something.

**JEFF:** The mobile clinics setup by the UN are helping but they also say they need about \$30 million to reach everyone in need. They teach proper sanitation, treat

malnutrition and also illnesses, including administering vaccinations. But as more crops fail and animals die, those in need just continue to increase. In two months from now, the UN estimates that almost 7 million people will need assistance.

.....  
**CATON:** And that's continuing to grow as we feel the effects of global warming. Now turning to Europe and the compulsory vaccinations. Austria is making a big push to get everyone in their country vaccinated. But according to estimates, about 20% of Austrians are refusing to get the jab. Now a new law has been passed, by a large majority in Parliament, requiring all citizens to get their covid shots.

**JEFF:** Green Party MP, Ralph Schallmeiner, told Aljazeera, "In Austria we make a clear evaluation, but if the health care system is in danger for you, for me, for all of us in the country, then this counts for more than personal rights." Well, there have been demonstrations against covid restrictions and compulsory vaccinations on the weekends, bringing Austrians into the streets by the tens of thousands.

**CATON:** Michael Brunner Founded the "People, Freedom and Fundamental Rights Party" to oppose Austria's covid related policies. He spoke with Aljazeera as well, saying, "Compulsory vaccination is not based on evidence and there's no way to justify it in legal terms. It's a serious violation of fundamental rights. And right now, there is no justification for violating them." Mr. Brunner does not believe scientists' claims that covid vaccinations are safe for the public. He predicts there will be thousands of lawsuits filed against the new law and doesn't believe it will be enforced.

**JEFF:** Austria is going to great lengths to increase its vaccination rates, sending out free donuts after first jab, and having special ones to celebrate getting boosters. But the government is going much further by having vaccinations compulsory. A move that some fear could be counter-productive.

**CATON:** I'm not sure that donuts are going to convince people to get a jab.

**JEFF:** There's been a lot of incentives, but donuts is a new one.

**CATON:** Barbara Prainsack, from the University of Vienna, expressed her concerns about the government's move. She said, "It's risky because you risk losing the people in the middle, the people who might have concerns, who might have hesitations, but they're not anti-vaxxers. So, this is a known effect that when a compulsory policy comes in, especially when it concerns something as important and invasive as a vaccination, then people tend to think, 'Okay, if I'm being forced to

do this, there must be something wrong with it or I'm not going to do it just because I have to.'

**JEFF:** Just a little bit of history: In the 1980's Austria also had mandatory vaccinations for children to fight smallpox. They are the first European country to tell their citizens they must get the covid vaccine or else pay a hefty fine. They are done with gentle persuasion and now moving on to more forceful tactics to get their population inoculated.

.....  
**CATON:** We're going to turn it over to our field correspondent who has more for us as we continue to speak about covid-19, but this time, not so much about people getting the jab, but their false proof of getting the jab, because there's been a lot of fake vaccination cards and there's been a lot of scams going on. Also, North Korea and their most recent missile test that's got the world kind of on edge and the on-going crisis with Ukraine. Larry what do you have for us?

**LARRY:** The turmoil of the plague has not been sufficient to change the minds of the people thus far, so that even amidst the surge of yet another variant, the thoughts of the people are still situated squarely on themselves. Examples of this can be seen in two New York nurses who were recently charged with theft, for selling fake vaccine cards. The two are said to have raked in 1.2 million dollars through their fraud...

As its citizens suffer hardship, The DPRK (Democratic People's Republic of Korea) continues to channel millions of dollars of its resources into weapons manufacturing. The country is now celebrating the launch of its Wasang-12 missile which is said to be capable of striking US bases in Guam and Japan. North Korea's activities reportedly have its neighbors and the US concerned, but Pyongyang insists that its efforts are technical trials, and are not designed to produce provocation...

It is Moscow's stance that it is being provoked to war by NATO and US policies, while America maintains that Russia has ambitions to finish the job in Ukraine—a move which President Biden has stated would come at a heavy cost for Moscow. Despite that, there are reports in the West of a large military mobilization to the Ukrainian border by Russia, accompanied by multiple military exercises, but President Putin maintains that he has no interest in invading the former Soviet state, despite appearances and assertions to the contrary.

America also alleges to have evidence that Moscow intends to increase its troop presence to 30,000 along its Belarus border, which NATO officials say is the same maneuver it employed prior to its move against Crimea in 2014. At this point, the US is exporting weapons to Ukraine, and providing military training to its citizens. There are also reports that Washington intends to move US troops stationed in Europe closer to the front lines with Russia, and troops throughout the US have been placed on high alert. Moscow says that America and

NATO have not appropriately responded to its demands for guarantees for a roll back on NATO forces near its border and a ban on Ukraine joining NATO, so that Russia sees itself and America once again locked in warming cold war. For YPN News, I'm Larry McGee. Caton, Jeff...back to you.

**JEFF:** Well, as we can see, Ukraine is definitely a spot that everyone is keeping their eye on Russia making their moves, but the US also planning their moves. Well, as Russia and the US' relation is reaching a breaking point, the relationship between Russia and China is growing stronger. Russian President Vladimir Putin and Chinese President Xi Jinping met in Beijing to strengthen relations and pledge support for one another.

**CATON:** That's right, they both issued a joint statement asking for NATO to halt its expansion which is also a further sign of the deepening of the relationship between the two nations. The statement also called for the United States to abandon what they called "a cold war ideology".

**JEFF:** The Kremlin described the cooperation between the two nations as an advanced partnership with a special character. Putin said at the meeting, "The bilateral relations are developing with the spirit of friendship and strategic partnership and have reached an unprecedented level..."

**CATON:** He continued... "They are an example of up-standing relations which help both sides to develop and support each other at the same time..." While there, Putin also unveiled a gas deal with China, thereby reducing its dependence on its European customers. The joint statement also said that Moscow supported Beijing's stance on Taiwan and opposed Taiwanese independence in any form.

**JEFF:** Chinese state media said that China and Russia will support each other in defending core interest and would deepen strategic cooperation. Xi also said that China/Russia strategic cooperation was unshakeable past, present and future.

**CATON:** Take a look at this next video for more on this meeting between the two superpower leaders of Russia and China... (Video Link: <https://www.youtube.com/watch?v=XEGCanlgFYU> )

.....

**JEFF:** Vladimir Putin accused the US of ignoring Russia's concerns of Ukraine joining NATO, the western military alliance. Putin had deployed at least 100,000 troops around Ukraine and the US has sent fighter jets and support units to Estonia, a NATO ally that used to be part of the Soviet Union. American F-15 Eagles flew through the skies in a show of US military force, with a message to NATO allies that "we've got your back," and

to Russia, "we are watching."

**CATON:** America's 336<sup>th</sup> Fighter Squadron taking part in an enhanced air policing mission. Lt. Col. Taylor Gifford said in an interview with CBS Morning News, "This is a team effort from the NATO alliance." The Baltic states – Estonia, Latvia and Lithuania - are sandwiched between Russia, the Baltic Sea and Russia's ally, Belarus to the south.

**JEFF:** Russia has deployed fighter jets to the region, launched naval exercises in the Baltic Sea and rolled missile systems into Belarus. All this is part of the reason for the US' mission in region, a response to Russian military aggression. The US and NATO stepped up its responses with the 2014 Russian annexation of Crimea and the incursion into eastern Ukraine by Russian backed militia.

**CATON:** So, they've been really going at this, and NATO and US kind of being in Russia's backyard, for quite a few years now. The head of the Estonian air force told CBS Morning News that the US jets are crucial. He said this bolstering shows that the alliance is taking this business seriously.

.....

**JEFF:** US troops with the 82<sup>nd</sup> Airborne Division from Ft. Bragg, North Carolina prepared for deployment to eastern Europe as tensions escalate between Russia and Ukraine. They are among the 2,000 troops heading to the region to support NATO. US intelligence recently revealed a propaganda plot by Russia to stage an attack by Ukrainian forces as a pretext for a possible Russian invasion.

**CATON:** US intelligence said that a Russian propaganda video staged by Russia could show explosions, corpses, western military equipment and even acting grieving mourners. Also, Russia is suspected to have already recruited people and the fake victims could be in Russia or are Russian-speaking people from Ukraine. The US has been saying for weeks that Russia could stage an attack initiating a "false flag operation".

**JEFF:** So far, the US hasn't provided any supporting evidence of this so called planned staged attack but has said that this is just one of many options that Russia has, and the US is going public in hopes to dissuade Russia from moving forward.

**CATON:** Take a look at this next video regarding Russia's assumed propaganda campaign. Now the US hasn't released any evidence of it and that seems to be one of the concerns of a reporter at a recent press conference with Ned Price, the US State Department spokesman. (Video Link: [https://www.youtube.com/watch?v=\\_DTSSvtg19I](https://www.youtube.com/watch?v=_DTSSvtg19I) )

**JEFF:** Well, Ned Price really didn't answer the reporters'

questions, as to 'where is this declassified information' as you say that they have. Really, that makes me think of a similar situation in Syria with President Bashar al-Assad; they were accusing him of those chemical attacks against his own people. They were saying that was staged to try to get the US to come in there and now they're kind of flipping it around and saying Russia's going to do the same thing so that they can move in.

**CATON:** That's been the tactic of many foes throughout the years to build up in the people's minds justification for going to war with another country. And at the same time, making that country look very bad in the eyes of the citizens of that country that wants to go to war. Lives are lives and no one likes to see innocent people injured in war, but sadly that's the majority of people who suffer in these wars, but they have to get the people's minds to thinking, 'the other people are bad so they kind of de-

serve what they get.' And that's what we're seeing take place right now.

**JEFF:** It's like the old, 'create a crisis' and come in and solve it, like the great guys and come in to solve it.

**CATON:** That's right.

## Deuteronomy 31:6

Be strong and  
courageous.  
Do not be afraid of them,  
nor be terrified because  
of them,  
for Yahweh your Father  
goes with you;  
He will never  
leave you  
nor forsake you.
