### ISAYAH 34:16

Search out The Book of Yahweh, and read. Not one of these will be neglected.

For it is written: Yahweh is their shepherd; for His mouth has commanded it, and His Spirit has gathered them.

*The Book of Yahweh* is the complete writings of the inspired Prophets of Yahweh and the Apostles of Yahshua Messiah, all in one Book. However, many are unfamiliar with *The Book of Yahweh* because it was taken to Rome during the removal of The House of Yahweh (Temple) in Jerusalem, and hidden in Rome for over 1,500 years. Later, the Catholic Church was forced to let a rendition (King James version) of it out to the public but only with the true Names of the Creator, Yahweh and the Savior, Yahshua replaced with the titles Lord and God.

Many hours of research went into restoring *The Book of Yahweh*, which was made available in 1987 by The House of Yahweh in Abilene, Texas. For more information about the history behind the conspiracy of the Catholic Church to take away the pure word of Yahweh, call, write or email The House of Yahweh.

# June 12<sup>th</sup> Prophecy

At the time of this writing, there are two babies waiting to be born, both of which are part of Yahweh's Plan. One is the nuclear baby, which was conceived on September 12th, 2006 and was due to be born around June 12th, 2007. This nuclear baby will kill a third part of men over a fourth part of the earth in and around the great river Euphrates. This baby will be the start of the nuclear wars that will lead to the darkening of the sun and moon, removing all hope of life from the earth. The other baby waiting to be born is the great family of Yahweh, which was planned from the beginning.

To understand what's taking place, you have to keep in mind that everything is planned. It's not like it's just "happening" at the spur of a moment because some leader won't do something. Things were planned long in advance.

Former US Secretary of State, Condoleezza Rice once said, "a war does not start with the dropping of a bomb. It starts with the decision to drop and the planning to carry out the decision to drop the bomb."

Malachi Martin showed in his book, *The Keys of this Blood*, how everything was planned out. There are plans to do things to bring all nations under the umbrella of the Roman Catholic Church. **Revelation** says the people are going to say, "Let us be like the first beast. Let us accept democracy." It is prophesied for the United States to do certain things. The plans are made and they're being carried out at this time.

There are seven nations that they have plans to take over to secure the oil.

## US 'plans to attack seven Muslim states'

Presidential hopeful General Wesley Clark says the White House devised a five-year plan after the 9/11 strikes to attack seven majority-Muslim countries.

A former commander of NATO's forces in Europe, Clark claims he met a senior military officer in Washington in November

2001 who told him the Bush administration was planning to attack [Iraq](#) first before taking action against [Syria](#), [Lebanon](#), [Libya](#), [Iran](#), [Somalia](#) and [Sudan](#).

aljazeera.com

March 02, 2007

We spend the hour with General Wesley Clark, the retired four-star general. He was the Supreme Allied Commander of NATO during the Kosovo War.

**AMY GOODMAN:** Now, let's talk about Iran. You have a whole website devoted to stopping war.

**GEN. WESLEY CLARK:** [www.StopIranWar.com](http://www.StopIranWar.com).

**AMY GOODMAN:** Do you see a replay in what happened in the lead-up to the war with Iraq — the [allegations of the weapons of mass destruction](#), the media leaping onto the bandwagon?

**GEN. WESLEY CLARK:** Well, in a way. But, you know, history doesn't repeat itself exactly twice. What I did warn about when I testified in front of Congress in 2002, I said if you want to worry about a state, it shouldn't be Iraq, it should be Iran. But this government, our administration, wanted to worry about Iraq, not Iran.

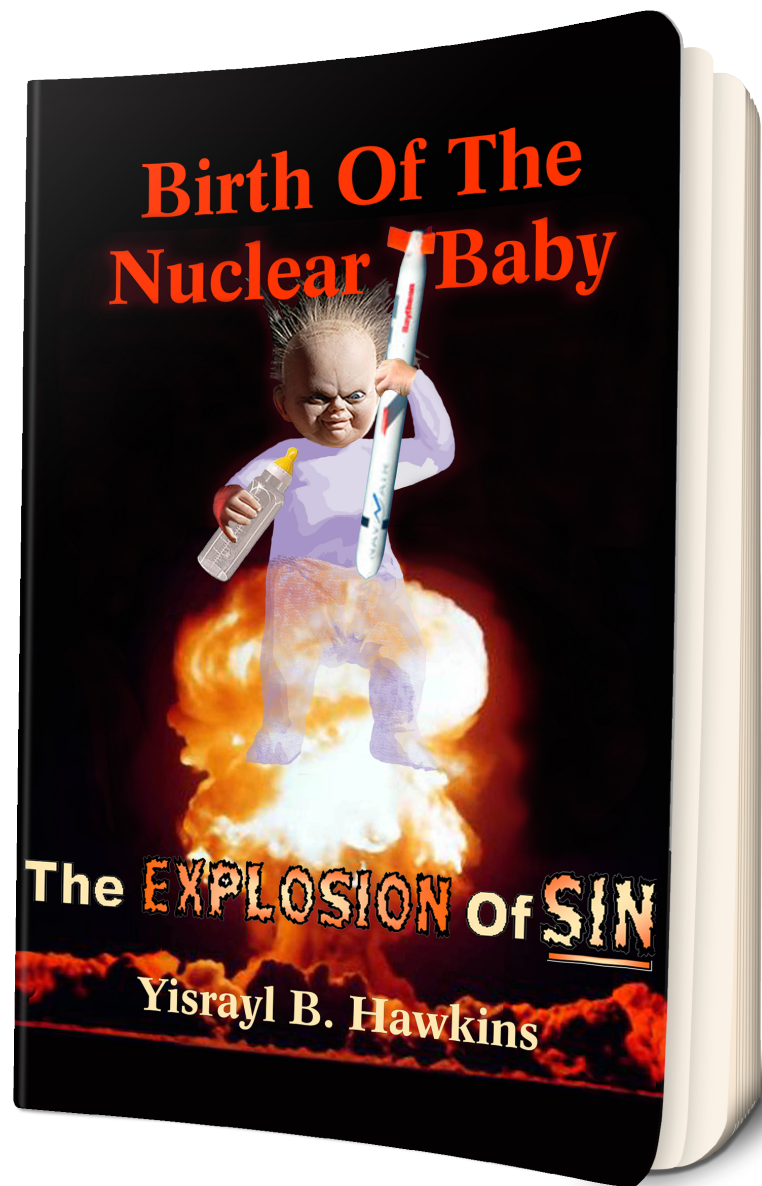

I knew why, because I had been through the Pentagon right after 9/11. About [ten days after 9/11](#), I went through the Pentagon and I saw Secretary Rumsfeld and Deputy Secretary Wolfowitz. I went downstairs just to say hello to some of the people on the Joint Staff who used to work for me, and one of the generals called me in. He said, "Sir, you've got to come in and talk to me a second." I said, "Well, you're too busy." He said, "No, no." He says, "We've made the decision we're going to war with Iraq." This was on or about the [20th of September](#). I said, "We're going to war with Iraq? Why?" He said, "I don't know." He said, "I guess they don't know what else to do." So I said, "Well, did they find some information connecting Saddam to al-Qaeda?" He said, "No, no." He says, "There's nothing new that way. They just made the decision to go to war with Iraq." He said, "I guess it's like we don't know what to do about terrorists, but we've got a good military and we can take down governments." And he said, "I guess if the only tool you have is a hammer, every problem has to look like a nail."

So I came back to see him a few weeks later, and by that time we were bombing in Afghanistan. I said, "Are we still going to war with Iraq?" And he said, "Oh, it's worse than that." He reached over on his desk. He picked up a piece of paper. And he said, "I just got this down from upstairs" — meaning the Secretary of Defense's office — "today." And he said, "This is a memo that describes how [we're going to take out seven countries in five years, starting with Iraq, and then Syria, Lebanon, Libya, Somalia, Sudan and, finishing off, Iran.](#)"

The prophecies concerning the nuclear baby involve a number of prophecies in the inspired scriptures that, when correctly combined, show events leading up to

# YOU NEED THIS BOOK!

June 12th. These prophecies cover events that started September 12, 2006 and will end with nuclear war, which will leave a third part of man killed over a fourth part of the earth in and around the great river Euphrates.

## **THE NUCLEAR BABY HELD BACK**

Yahweh inspired His Prophets and Apostles to prophesy of a nuclear baby. It was prophesied to be conceived September 12, 2006. Nine months later (the gestation period) would be June 12, 2007, the time of birth, which would kill a third part of man over a fourth part of the earth in and around the great river Euphrates. September 12, 2006 is the date given in prophecy; June 12, 2007 was the assumption that

the prophecy showing pains as a woman with child would take nine months. As the events unfolded this assumption proved right, but another prophecy came into the picture that will be covered later.

Now, these wars have a starting point here, and that starting point is in Iran.

We even see the planning in the news media.

### **U.S. Could Bomb Iran Nuclear Site In 2007, Analysts Say**

President George Bush could choose military action over diplomacy and bomb Iran's nuclear facilities next year, political analysts in Washington agree. "I think he is going to do it," John Fick, creator of Global Security Organization, a military-issue think-tank told AFP..

## Air Force refused to fly weapons to Middle East theater

Wayne Madsen

WMR has learned from U.S. and foreign intelligence sources that the B-52 transporting six stealth AGM-129 Advanced Cruise Missiles, each armed with a W-80-1 nuclear warhead, on August 30, were destined for the Middle East via Barksdale Air Force Base in Louisiana.

Notice the date in the first paragraph—August 30, 2007. Now think of Condoleeza Rice’s statement about the decision and planning to drop a bomb.

When was the plan conceived? August is only 2 months from June, 2007 when prophecy shows the third part of man would die by a nine month nuclear baby. History also shows eleven month babies and some gestate even longer.

Now notice the following points from the same news article above.

However, elements of the Air Force, supported by U.S. intelligence agency personnel, successfully revealed the ultimate destination of the nuclear weapons and the mission was aborted due to internal opposition within the Air Force and U.S. Intelligence Community.

The mission or nuclear baby was aborted!

It is now apparent that the command and control breakdown, reported as a BENT SPEAR incident to the Secretary of Defense and White House, was not the result of a command and control chain-of-command “failures” but the result of a revolt and push back by various echelons within the Air Force and intelligence agencies against a planned U.S. attack on Iran using nuclear and conventional weapons.

The assumption date (based on a 9-month baby and not longer) was June 12, 2007. Now notice the next point in the article:

There is also a connection between these two events as the Pentagon’s highly-classified PROJECT CHECKMATE, a compartmented U.S. Air Force program that has been working on an attack plan for Iran since June 2007...

June 2007 is the exact month shown in our book, *Birth Of The Nuclear Baby*.

Another birth pain took place September 6, 2007, although it was thought to have been done by the U.S., it was later reported by *The Guardian* that Israel confirmed it carried out the airstrike on Syria.

## Israel confirms it carried out 2007 airstrike on Syrian nuclear reactor

Intelligence minister says attack is a ‘clear message’ to Iran it won’t allow its enemies to acquire nuclear weapons

Israel’s military has gone public for the first time to confirm a 2007 airstrike on a suspected Syrian nuclear reactor, announcing details of a night-time attack its intelligence minister said provides a clear warning to Iran.

In a secret operation that has been extensively speculated on for a decade, Israel said it sent four F-16 fighters hundreds of miles into Syria on 6 September 2007, to bomb the partially completed al-Kubar facility near Deir ez-Zor.

Previously-classified footage, images and intelligence documents on the plan showed how Israel had monitored the site for several years and feared it could become operational within months.

The military said that following the four-hour operation, the reactor “had been totally disabled”, and the damage done “was irreversible”.

Black and white aerial images showed a box-like construction close to the Euphrates river in the desert, while video showed the structure exploding in a cloud of smoke following a countdown by a male voice.

The move to go public with the strike, which has already been widely reported and cited to US officials, comes amid repeated warnings by the Israeli prime minister, Benjamin Netanyahu, for the United States and others to take more robust action on Syria’s ally, Iran.

Notice the 2,000-year-old prophecy showing nuclear war and where it would be: the fourth part of the earth in and around the great river Euphrates; both fulfilled. In this prophecy we see war, famine, and disease over a fourth part of the earth.

### REVELATION 6:7-8

7 And when He had opened the fourth seal, I heard the voice of the fourth living creature say: Come and see.

8 And I looked, and behold, a pale horse. And the name of him who sat upon it was death, and sheol; the grave, followed with him. And power was given to them over a fourth part of the earth, to kill with sword, and with hunger, and with pestilence—the same under the authority of the beast of the earth.

Notice the third point of the previous news article:

WMR has learned that a U.S. attack on Iran using nuclear and conventional weapons was scheduled to coincide with Israel’s September 6 air attack on a reputed Syrian nuclear facility in Sayr az-Zwar, near the village of Tal Abyad, in northern Syria, near

the Turkish border on the Euphrates River. Israel's attack, code named OPERATION ORCHARD, was to provide a reason for the U.S. to strike Iran.

Iran is located in the fourth part of the earth and that is where six nuclear bombs were headed in 2007.

We then see that a third part of man is killed around the great river Euphrates.

#### REVELATION 9:13-18

13 And the Last Malak sounded, and I heard a voice from the four horns of the Golden Altar which is before Yahweh, 14 Saying to the Last Malak which had the trumpet: Loose the four messengers who are bound for the great river Euphrates!

15 And the four messengers were loosed, which were prepared for an hour, and a day, and a moon; month, and a year, in order to slay the third part of man.

16 And the number of the army of the horsemen was two hundred thousand thousand; for I heard the number of them.

17 And in my vision, I saw the horses and those who sat upon them like this: They had breastplates of fire; *red*, and of jacinth; *blue*, and brimstone; *yellow*, and the heads of the horses were as the heads of lions; and out of their mouths issued fire, and smoke, and brimstone.

18 By these three were the third part of man killed: by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.

Remember nuclear is what these prophecies show. The three colors—red, yellow, and blue, shown in the previous scripture—when put together show the three-color painting of the nuclear mushroom cloud that follows a nuclear explosion.

It's plain to see that all these prophecies of this nuclear war that will kill a third part of man over a fourth part of the earth in and around the great river Euphrates would have been fulfilled already had it not been for another prophecy showing the Plan of Yahweh.

#### REVELATION 7:1-3

1 And after these things I saw four messengers standing on the four corners of the earth, holding the four winds of the earth, so that the wind should not blow on the earth, nor on the sea, nor on any tree.

2 And I saw another Malak ascending from the east, having the Seal of the Living Father; and he cried with a loud voice to the four messengers, to whom it was given to hurt the earth and the sea,

3 Saying: Hurt not the earth, neither the sea, nor the trees,

until we have sealed the Servants of our Father in their foreheads.

There is no reason that the nuclear strike planned for Iran, and the very dates that prophecy shows, were not fulfilled at that time, except this prophecy of holding these things back by the authority of Yahweh to try His people and to protect His Last Days' Work.

The U.S.A. has the most reliable air force of any nation at any time in history, but they could not perform an order. Why? Because Yahweh sent a spirit unto them and they had no power to resist. The dates were right. The location was right. Six nuclear bombs would have definitely killed a third part of man over a fourth part of that location. The prophecy of **Revelation** is true. Yahweh is, at this time, still holding back the nuclear bombs of the war, giving you time to believe and repent.

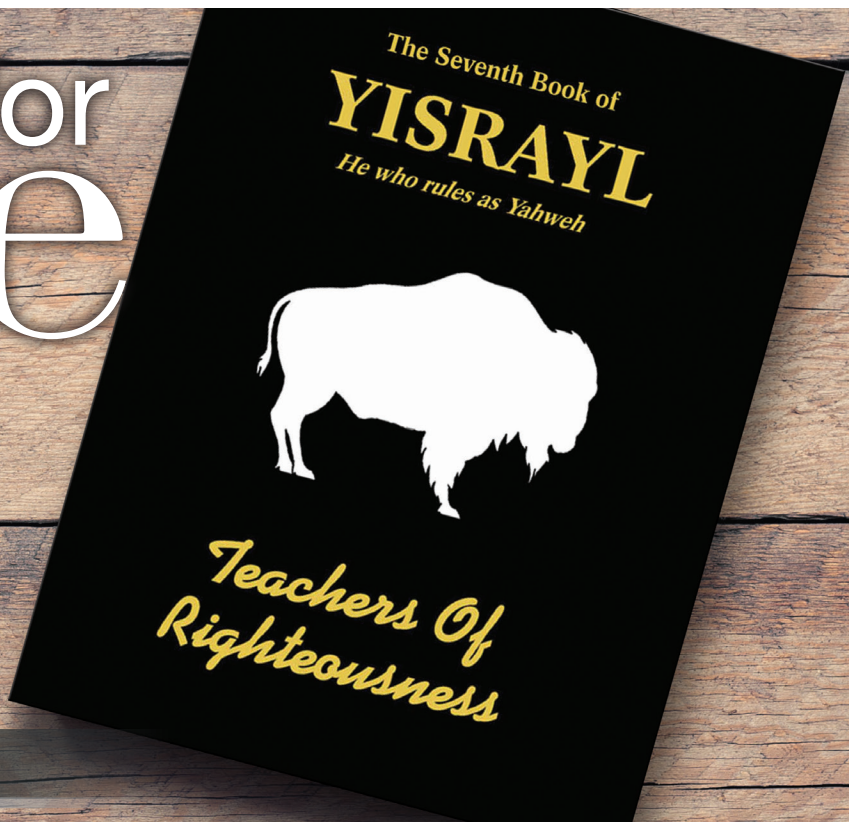

Yes, Yahweh is holding back the nuclear wars, as is shown in **Revelation Chapter 7** and other prophecies. He is holding back the nuclear baby that will destroy a third part of man over a fourth part of the earth until He has sealed a certain number of people who will repent of sin and convert to keeping His Laws of righteousness, inspired to be written by the Prophets of Yahweh.

We recommend that you listen to or read *The Prophecies For The Middle East Gulf War* series, found in *The Seventh Book of Yisrayl*, Part 2. You also need our book, *Birth of the Nuclear Baby*, for full details of these wars that have already started in and around the great river Euphrates. Only the nuclear bombs of these wars are being held back by Yahweh at this time.

## THE NUCLEAR WARS WILL BE TURNED LOOSE

It is known that the United States and Israel want to get rid of Iran. The word is out that they want to devastate the armies of Iran and be able to go in and take the cities without too much fighting. So these are their plans to destroy. Now, the way the armies are

set up in Iran, it would take nuclear bombs to do this. Remember a third part of the people are going to be destroyed over that fourth part of the earth. That's a prophecy for this generation right now, when The House of Yahweh's message is going out to warn the world, to warn all nations.

There's more behind it than Iran has a nuclear bomb or going to develop a nuclear bomb. That's not all that's behind it. A root of all evil is the lust for money. Oil is what satisfies that lust, of course. Mammon, oil and wine. Remember, hurt not the oil and the wine. That's what you see taking place here. The United States and Israel want to knock out Iran because they want their oil to flow to the world, to their pockets, of course.

On 11/8/09, Yisrayl Hawkins said, "So it wouldn't surprise me if this doesn't take place to begin with where Israel bombs Iran." And then the other nations, which are worried already that Israel is wanting to expand its borders. They're wanting more land so once they bomb Iran then the nations are gonna say, "Yes, this is exactly what we thought to begin with and now Israel and the United States are going to try

to take it all and they're gonna try to rule the earth." So this is where the big nuclear wars then are going to continue, as Yahweh said. They won't stop after a fourth part of them are dead, or a third part of them are dead over that fourth part of the earth. It will spread to all nations after that.

It might be set up for someone else to start the war and the United States stand by with it. I can tell you what I think, the way this thing, the nuclear baby, is going to go down. Yahweh is going to release it, I think, through Israel because of the fact that Israel is spoken of in many places as being involved in this last war. And I'm thinking that Yahweh has held back the United States which would have already let the nuclear baby loose if Yahweh had not held it back.

Iran is already hated by the United States and by Israel. Iran has threatened to wipe Israel off of the face of the map. Israel is the United States' ally that the United States desperately needs in that part of the world. The United States has sworn that it will protect its allies from any attack, as if it was the United States that was being attacked.

## ISRAEL WANTS TO HIT IRAN REAL BAD. I THINK ISRAEL WILL START THIS WAR.

~Yisrayl Hawkins 7/14/07

I believe that Israel will start the war, and start it with Iran. If you'll notice, the United States says, "No, that's between you and Iran. We're going to stay out of it," but at the same time, they have ships over there ready, armed and waiting, and they're going to try to protect their ally in that area, which is Israel at this time. I do believe from what I see in scripture, Israel will be the ones to open the door for the United States, whose fleets are coming.

On 7/14/07, Yisrayl Hawkins said, I think Israel will start it. Then it will be overwhelmed by the nations around it, because all of them will use that opportunity to attack, and then the United States will step in. Other large nations will step in to stop the United States. But it is going to be in that area of the world that one third of man is going to be killed in that area of the world right there, but it's not going to stop there. That's the beginning of it and that's what we're looking for right now.

## ISRAEL STRIKES IRAN... JUST LIKE YISRAYL HAWKINS FORETOLD IN 2007!!

### IRAN UPDATE SPECIAL EDITION: ISRAELI

### STRIKES ON IRAN, JUNE 12, 2025

Jun 12, 2025 - ISW Press

Key Takeaways:

Israel conducted the first strikes of its air campaign targeting the Iranian nuclear program and regime leadership on June 12.

These strikes killed a number of senior Iranian leaders.

Iran has not yet responded to Israel's strikes despite claims on June 11 that it had finalized plans for an "immediate counterstrike" against Israel. It is unclear at this time why Iran has yet to respond.

Iran may opt for "strategic patience" in the aftermath of a strike on its nuclear facilities or other key assets.

It is also possible that Israel somehow disrupted Iran's response by targeting Iran's ballistic missile launch sites and stockpiles.

Israel conducted the first strikes of its air campaign targeting the Iranian nuclear program and regime leadership on June 12. Israeli Prime Minister Benjamin Netanyahu announced on June 12 that Israel has launched a military operation against Iran that will continue "for as many days as it takes to remove the [Iranian] threat." [1] He stated that Israel has targeted Iran's nuclear enrichment, nuclear weaponization, and ballistic missile programs as well as Iranian nuclear scientists.

Yahweh shows in prophecy that Elam, which is Iran, will be destroyed when the nuclear baby is born

### YEREMIAH 49:34-37

34 This is the word of Yahweh that came to Yermeyah the prophet against Elam in the beginning of the reign of Zedekyah king of Yahdah, saying:

35 This is what Yahweh of hosts says: Behold, the bow of Elam will be broken, the principal support of their might.

36 The four winds will be brought against Elam from the four quarters of heaven. They will be scattered to all these winds, so that there will not be a nation to which the outcasts of Elam will not go.

37 Elam will be caused to be terrified before their enemies, before those who seek their lives. Destruction will be brought upon them. They acted defiantly against Me, so I turned away from them, says Yahweh: and the sword will be sent after them until they have been consumed.

Remember what we read in **Revelation 6** and **7** about the sword and the four winds.

They do intend to devastate Iran. Iran is actually going to be the one that brings the great wars to action which will lead to the expansion of Israel's borders. Please, listen to or read the sermons on the wars in the Middle East, available in podcast and in *The Seventh Book of Yisrayl*, Part II. This information was brought out years ago about how Israel's borders are going to be expanded. That's what you're going to see next with these wars. It's prophesied.

### GENESIS 15:18

On that day Yahweh made a covenant with Abram, saying: To your descendants I have given this land: from the river of Egypt [Nile] to the great river Euphrates;

Damascus is going to be totally demolished. Amman is going to be demolished. Jordan is going to be taken. Israel is going to take the land over to the Euphrates river.

The following article shows Israel has begun its expansion.

### Israeli forces push deeper into Syria as strikes with Iran enter second week

Residents decry 'savage' demolitions as Israeli soldiers advance further into Syria's southern Quneitra province

20 June 2025

Israeli forces advanced several kilometres into southern Syria this week, where they destroyed homes and razed vast acres of

land, as Israel's strikes with Iran entered its second week.

Local residents told Middle East Eye that heavily armed Israeli soldiers advanced at least 1.5 km into the southern province of Quneitra on Thursday, where they destroyed at least 15 homes and vast areas of forest and agricultural land.

The residents said that Israeli soldiers launched their advance towards several towns, including al-Hamidiyah, with Israel claiming they were targeting "extremist militants" or preventing "attacks linked to Hezbollah or Iran".

Israel and Iran have been trading strikes since last Friday, 13 June, in what Israel describes as an effort to prevent Tehran from developing nuclear weapons.

Israel has failed to provide any evidence that Iran was close to developing a nuclear bomb, and the latest assessments of the international community, including from the US, have indicated that Iran had not made a decision to weaponise its nuclear programme, something it had abandoned in 2003.

Syria's geographic location has made its skies a battleground for the tit-for-tat strikes, with the Israeli air force repeatedly violating the country's airspace.

Debris has repeatedly crashed on the ground, particularly in the southern provinces of Quneitra and Daraa, near the Israeli-occupied Golan Heights.

Mohammad al-Ali, an al-Hamidiyah resident, told MEE that his community was gripped by fear after Israel's latest incursions into southern Syria.

"They (Israeli soldiers) arrived and suddenly told us we had to evacuate," he said.

"I was prepared for anything when I left under the threat of weapons with my wife and three children, but I did not expect they would demolish our home, with all its furniture and memories, in such a savage way."

### 'Major instability'

Mohammad al-Saeed, the director of the Media Directorate in Quneitra Province, suggested that whilst the world's and the Syrian government's attention was focused on the hostilities between Israel and Iran, Israel was exploiting the situation to [seize more territory in Syria](#).

"These Israeli assaults create major instability, particularly with the security checkpoints that the [Israeli army sets up deep inside Syrian territory](#)," he said. "Some have reached up to 17km into Syria, including areas like Tel al-Mal."

According to multiple reports, Israeli forces have [intensified efforts to grab land](#) in a buffer zone between the Israeli-occupied Golan Heights and a 1974 ceasefire line since the fall of Syrian President Bashar al-Assad in early December.

[middleeasteye.net](http://middleeasteye.net)

They're preparing slaughter for Iran. Yahweh shows it's going to bite back. Retaliation brings more retaliation. It's never solved a problem that I know of. Two wrongs don't make a right as my dad always said. It never makes anything right. But here we're willing to go to war, sacrifice our children, men, and

women. It's going to come our way too, big time. Yahweh shows it's going to come our way big time. No one's going to escape this. Four-fifths of the earth's population is going to be wiped out. Think of the devastation to the land after that and the hurting and pain that's going to go with this. And you can see what polluting the Sanctuary of Strength has brought to the twelve tribes of Israyl who are bringing to pass these great four powers, represented by the four horns of the altar of death—death, disease and sickness.

The nuclear bombs will not be held back much longer. When **Revelation 7:1-3** is fulfilled they will be turned loose and you will see; first, a third part of man killed over a fourth part of the earth in and around the great river Euphrates. Then you will see all nations involved, bringing the worst famine in history, the worst disease epidemics in history, and nuclear wars that will darken the sun, leaving four-fifths of the earth's population dead. Notice it will be loosed:

### REVELATION 9:13-15

13 And the Last Malak sounded, and I heard a voice from the four horns of the Golden Altar which is before Yahweh, 14 Saying to the Last Malak which had the trumpet: Loose the four messengers who are bound for the great river Euphrates!

15 And the four messengers were loosed, which were prepared for an hour, and a day, and a moon; month, and a year, in order to slay the third part of man.

News | Israel-Iran conflict

### US joins Israel in attacking Iran, strikes Fordow, Isfahan, Natanz sites

*IAEA says it has not detected any increase in radiation levels at key nuclear sites in Iran following the US air strikes.*

President Donald Trump has announced that the United States forces struck three Iranian nuclear sites in a "very successful attack", adding that the heavily fortified Fordow nuclear facility is "gone".

Trump's decision on Saturday to join Israel's military campaign against Iran represents a major escalation of the conflict.

"We have completed our very successful attack on the three Nuclear sites in Iran, including Fordow, Natanz, and Isfahan,"

Trump posted on Truth Social, adding that the military planes were now on their way home.

"NOW IS THE TIME FOR PEACE!" he added.

[aljazeera.com](http://aljazeera.com)

## “PEACE, TRUE PEACE”

In the next few months we should hear the promise of “peace, true peace.” But will there truly be peace? The inspired scriptures, which have proven to be 100% accurate, in describing both the actions and the morality of the nations, saying there can never be peace, true peace as long as the Laws of peace are violated.

They will declare peace, and this will be in Israel that they will declare this. This is where the prophecy shows that it will be declared, “peace, true peace,” in the land of Israel, where it really won’t be true peace, but a very short lived peace. And as **I Thessalonians** says, then will come sudden destruction in that fourth part of the earth.

### **I THESSALONIANS 5:3**

For when they will say: Peace—true peace! then sudden destruction comes upon them, as labor pains upon a woman with child; and they will not escape.

The Prophet Daniyl said “by peace” many will be destroyed.

### **DANIYL 8:23-25**

23 And in the last days of their kingdom, when the transgressors have reached their fullness, the king of fierce expression, and understanding dark sentences; *skilled in trickery and deception*, will stand up;

24 And his power will be mighty, but not through his own power; and he will destroy astoundingly, and *he* will succeed, and practice, and will destroy the mighty and the holy people.

25 And through his policy, he will also cause craft; *deceit and fraud*, to succeed in his hand; and he will magnify *himself* in his heart, and by peace will destroy many. He will also stand up against the Prince of princes; but he will be broken without hands.

This war in Iran is the nuclear baby war. But the religions will still not repent. Notice:

### **REVELATION 9:20-21**

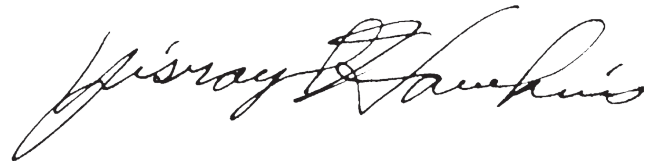

20 And the rest of the men who were not killed by these plagues, still did not repent of the works of their hands, that they should not worship demons, and gods (elohim, teraphim) of gold, and silver, and brass, and stone, and of wood: which can neither see, nor hear, nor walk;

21 Neither did they repent of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

They will continue in what causes wars. The finishing of Yahweh’s Plan is to allow the tree of the mixture of righteousness and evil, all those who choose that way, to continue in their lifestyles until they wipe out themselves.

Yahweh bless your understanding.

Love, True Love,

...today's news fulfilling bible prophecy

**CATON:** Welcome to another edition of YPN News bringing you news that relates to bible prophecy and foretold by Yisrayl Hawkins. Welcome to a LIVE broadcast, Special Edition of YPN News. Today we are broadcasting LIVE from The House of Yahweh Sanctuary. What we're going to be talking about today, is some events that are unfolding in the Middle East, particularly involving Israel and Iran and there's some significance to this, because it's not just a random occurrence, but it's occurring on a particular day.

**CATON:** So, what has actually been taking place over the last two days? Well, Israel has engaged or initiated its military operation called Rising Lion. Now, this is an operation that wasn't just a spur of the moment thing, but is something that has been in the works for eight months, and you're going to hear a little bit more about that later. Rising Lion is a military operation designed to destroy, not just reduce, but destroy Iran's nuclear program. They are also in hopes of preventing Iran from developing nuclear weapons. Now, Iran is currently at an enrichment rate with uranium at 60%, which is far higher than what the JCPOA agreed to back in 2015 of just a mere 3.67%.

**JEFF:** As Caton mentioned there, the events that unfolded early Friday morning over in the Middle East, now this was still June 12<sup>th</sup> here in the United States, it was very early in the morning; Israel did a preemptive strike on Iran. And what they did, sending over 200 fighter jets in there, targeting military facilities, one of their main nuclear facilities, which is where they enrich uranium. Israeli Prime Minister Benjamin Netanyahu said, 'we will not allow them to develop a nuclear bomb.'

**JEFF:** So, they hit Iran hard and fast. They also struck in some of the residential areas around the city of Tehran, and they were successful in killing four of the top military commanders in Iran. So they (Israel) are starting to dismantle the military, just as they did with Hamas and Hezbollah. Israel also killed two of the top nuclear scientists that have been responsible for helping them enrich the uranium. Natanz, this uranium enrichment facility, there's some of it that's located underground, but it also has the buildings up on top, which is where the damage took place. So, Israel is going in there and they say they are 'dismantling' the capability that Iran has to build and create a nuclear weapon that they can use against Israel.

**JEFF:** What was Iran's response? Iran hit back sending over 100 drones and missiles, firing them at Israel. Now the United States actually joined in to try and help Israel defend against Iran's missile attack. And some of the missiles were successful, they did hit the city of Tel Aviv. So, we have put together a couple clips of the latest news, which if you could watch at this moment.

(News Clip Videos)

**Netanyahu addressing the world:** Moments ago, Israel launched operation "Rising Lion" to roll back the Iranian threat to Israel's very survival."

**Fox News Alert:** "We can confirm that Israel is launching a series of preemptive airstrikes against Iran right now. Explosions reported in the capitol Tehran, right now."

**ABC News LIVE:** "We do begin with that breaking

news in the Middle East and now escalating fears of an all-out war in the region. The IDF has confirmed Israel has hit nuclear targets. Officials say dozens of jets completed the first stage, that includes strikes on military targets, including nuclear ones.”

**Breaking News:** “Right now, Israel is unleashing a flurry of missiles on Iran, targeting nuclear and military sights, and it is not over. Israel saying the attack could go on for days. A second wave of airstrikes is already underway.”

**Netanyahu continuing his address:** This operation will continue for as many days as it takes to remove this threat.

**Times Now: “Israel bombs Iran, new war begins.** Israel strikes at heart of Iran’s nuclear program. Loud explosions rock capital Tehran.”

**NBC News:** “Coming on the air with breaking news right now, another major escalation in the Middle East. Air raid sirens sounding in Israel as the Iron Dome appears to intercept new strikes from Iran. Those strikes are a retaliation to Israel’s massive attack on Iran overnight.”

**CBS News Chicago:** “Breaking News update now, the conflict between Israel and Iran is intensifying. Iran struck back after Israel’s initial attack. Dozens are dead and hundreds more are injured.”

**NBC Nightly News:** “Iran launching a fresh round of strikes tonight. You can see them streaming through the night sky over Tel Aviv. Explosions rattling the city. Take a look at this video taken from a balcony, showing smoke billowing from the ground right after a strike. Most missiles intercepted but debris raining down causing damage and injuries. This retaliation coming after Israel struck more than two hundred targets overnight, including two key Iranian nuclear sights, taking out some of Iran’s top military leaders and scientists.”

**CATON:** So, as we see, Jeff, this was a preemptive attack on Iran by Israel. This was not something that was in retaliation from something that Iran did. Israel

did this preemptively in order to deter their nuclear program. But what we’re seeing that’s a little bit different here, is Iran kinda has a history of waiting a little bit before they actually retaliate towards Israel; but they did it within just a few short hours of Israel’s initial attack.

**CATON:** And of course, on June 12<sup>th</sup>. Now you’ve been hearing that date. We’ve mentioned it. It’s shown on the videos. What does that have to do with and how does it fit in with the timeline, of the prophecy of Yisrayl Hawkins? Well, of course, in the next four months, according to that prophecy that Yisrayl Hawkins brought out many, many years ago, you’re going to actually see at the end of this, now it’s just at the start, but at the end of this an accumulation, you’re going to see a third part of man be killed over a fourth part of the earth.

**JEFF:** So how do we know that? How did Yisrayl Hawkins get these dates? How did he specifically get the date of June 12<sup>th</sup>? As Caton mentioned, it’s a combination of prophecies. In Revelation 9:15 it reads, “And the four angels were loosed, which were prepared for an hour, a day, a moon and a year in order to slay a third part of men.”

**CATON:** That’s right. So, it’s pretty much just a simple math problem. If you take that prophecy right there based on what Yisrayl Hawkins has said, you basically have to do a little bit of subtracting. You have one year, one month and one day. And the starting date for this math problem is October 13, 2007. If you subtract one year from that you get October 13<sup>th</sup>, 2006. If you subtract one month from that you get September 13<sup>th</sup>, 2006.

**JEFF:** Subtract one day from that and you get September 12<sup>th</sup>, 2006 and that’s the day you’re going to have nuclear war. Now remember, the war doesn’t start with the dropping of a bomb. Yisrayl Hawkins explained this. It starts with the planning. And as you mentioned Caton, in the beginning, these plans for ‘Rising Lion’ military operation have been months in the making. So this prophecy of September 12<sup>th</sup> 2006 is the conception of the nuclear baby. Bringing

us back to June 12<sup>th</sup>. But don't take our word for it. Listen to the words of Yisrayl Hawkins as he explains how he came up with this bible prophecy. Take a look.

(Video excerpts from Yisrayl Hawkins' teachings):

Clip #1: "I want you to write down a date. It's going to be hard to buy anything after this date. September the 12<sup>th</sup>, 2006. That's the day we're going to have nuclear war. No I'm not a prophet not claiming to be. I'm an Okie, that Yahweh chose to tell you and warn you. Okay? (Audience says PRAISE YAHWEH! Applause).

You better start thinking along those lines. Yes, I got the date right it's September 12<sup>th</sup>, this year. September the 12<sup>th</sup> this year. Mark it in your *Book of Yahweh*. We're not wrong on this thing. We're going to see nuclear war. Nuclear war is going to take place and Yahweh is going to let them know that we told them about it before it ever took place. And it's going to raise The House of Yahweh up extremely. (Applause) Yes, Praise Yahweh.

Now notice carefully what he says. (Reading Revelation 9:15) "prepared for that hour, and a day and a month and a year. In order to slay the third part of men." Just a third part and as we just read too over a fourth part of the earth. So we see a war here that's actually going to slay a third part of men over a fourth part of the earth and we have an hour, a day, a month and a year left which brings this to another time period. Which spoken on down below; they don't rest from there, (Revelation) chapter 20 see, they go on to another war, which eventually darkens the sun. But this starts it and leads it to the last part, which is October. The seven year peace plan was signed in September 13<sup>th</sup>, 1993.

Clip #2: The end war, the end war. The desolations that are determined, that are going to be poured out. That is for us, for our time. The last seven years, which doesn't include this first part here. (Reading Daniyl 9:27) "And he will make a strong covenant..." this includes us, "a strong covenant with many for one week. And in the midst of the week he will cause

the sacrifice and the oblation to cease. Instead he will cause the prevailance of the Lord of heaven even unto the destruction that is determined, will be poured upon the desolator."

Have we got the film ready to show? Could you turn that film on? ABC Evening News with Peter Jennings, "In Tunis the man who led the PLO's secret negotiations with Israel, Achmed Quria told ABC News that the PLO is putting the finishing touches on a seven-year plan to rebuild the occupied territory.

**YISRAYL HAWKINS:** Hear it?

Video continues: Achmed Quria, "If this plan were not able to be implemented there would be a catastrophe." The price tag Quria said, nearly \$12 billion.

September 13<sup>th</sup>, 1993 in Washington DC at the White House for the signing of the Oslo Accords as reported by NBC News Peter Jennings: "Now by Shimon Perez. Now Mr. Abbas will sign for the PLO and it will be witnessed by Secretary Christopher and Foreign Minister Curzeroff from the Russian Federation." Shimon Perez and Yassar Arafat shake hands in front of Bill Clinton. There's the moment!" video repeated..."A seven-year plan to rebuild the occupied territory."

**YISRAYL HAWKINS:** The seven-year peace plan was signed September 13<sup>th</sup>, 1993. If you count 14 years. That's a time (3½ years), times (7 years) and then time (3½ years). That's 14 years. That takes us down to, it started October 13<sup>th</sup>. It was signed September 13<sup>th</sup>, but it went into effect October 13<sup>th</sup>. So we go to October 13<sup>th</sup>, 2007. That's 14 years. 2007 is the ending date that Daniyl spoke of and Revelation puts together for us. That's the prophecy where Yahweh said I would raise my hands and vow in His Name that it was the date, October 13<sup>th</sup> 2007.

October 13<sup>th</sup> 2007, if you count backwards you go to 2006 that's one year. One year, October 13<sup>th</sup> 2006. If you come back one more month you go to September 13<sup>th</sup>, 2006. If you come back one day, you're at September 12<sup>th</sup> 2006. I Thessalonians 5:3

“For when they will say: Peace – true peace! then sudden destruction comes...” and they’re actually going to think they’ve got peace at that moment. But the sudden destruction...sudden destruction, which means bombs and in this case, it’s going to mean nuclear bombs...”comes upon them as labor pains upon a woman with child; and they will not escape. I Thessalonians 5:4 But you, brothers, are not in darkness, so that that day overtakes you like a thief. Verse 5...you are all the children of light”, that is the Laws and prophecies of Yahweh as he shows in chapter 19. Now, if you’ll apply the nine months, because he says its going to come upon them as pains upon a woman with child. I’m told by the midwives that women start having pains from day one, when their bodies start changing. If you apply the nine months here and he’s certainly speaking of the same time period. Watch and be sober, because this is the time period that he’s speaking of. Notice he says this plainly here. He’s giving us something here and I think we ought to take it seriously and know exactly when and base this right now on this date. If we find new evidence on this, we’re putting together several scriptures right now on it and studying them out. Speaking of this same there here. But if we see a change we’ll notify you immediately. But if you start now with September 12<sup>th</sup> 2006 and you count nine months from that date it will give you, or take you to June 12<sup>th</sup>.

Yisrayl Hawkins Video #3: June 12<sup>th</sup> now this is the nine month nuclear baby that we’re in, right now. It will end, it will end June 12<sup>th</sup>. We go four months after that of wars and fighting. We got another month that scripture shows there after that four months is over there. We got one more month there that people are going to suffer severe pain. Not The House of Yahweh. There’s something connected here some way or another that is going to keep that from you. But you won’t be suffering that. Yahweh says its only on the people who have the mark of the beast. They’re going to suffer severe pain. The scripture says they’ll be doubled over like a woman having a baby. This is how severe it’s going to be. Worse than any pain you

can imagine and they’re going to suffer it for nine months.

Yisrayl Hawkins Video #4 ABC News with Brian Ross “End of the World? Domsday sect says it begins June 12<sup>th</sup>”

**YISRAYL HAWKINS:** I merely teach the Laws to them and I beg them to follow those Laws so they’ll be a part of Yahweh’s Kingdom.

**BRIAN ROSS:** And to be part of Yahweh’s Kingdom, means to be safe from Domsday. He preaches that when the world comes to an end, only those in The House of Yahweh will survive. And nuclear war, he told ABC News is now scheduled to begin next **Thursday, June 12<sup>th</sup>** or maybe even sooner.

**YISRAYL HAWKINS:** Oh yes, it could be. But it could be turned loose before then. I don’t expect it to be turned loose before then.

**BRIAN ROSS:** When do you expect it to be turned loose?

**YISRAYL HAWKINS:** By June 12<sup>th</sup>.

Benjamin Netanyahu Statement aired on LIVE TV: Moments ago, Israel launched operation ‘Rising Lion’.

**Fox News Alert:** we can confirm Israel is launching a series of preemptive airstrikes against Iran right now.

**Breaking News ABC LIVE:** We do begin with That breaking news in the Middle East and now, escalating fears of an all-out war in the region. The IDF has confirmed Israel has hit nuclear targets. Officials say, dozens of jets completed the first stage that included strikes on dozens of military targets including nuclear ones.

**YISRAYL HAWKINS (7/14/07):** I think in my opinion, I think Israel will start this war. I think it will be overwhelmed by the other nations because it’s facing about five enemies right now. It will be overwhelmed by the other nations if you’ll notice the United States says, no that’s between you and Iran. We’re going to

stay out of it. But at the same time, they have three hundred ships over there, ready, armed and waiting. And yet they're not going to allow Israel...or they're going to try to protect their ally in that area, which is Israel at this time. So, I think Israel will start it. It will be overwhelmed by the nations around it, because all of them will use that opportunity to attack and then the United States will step in, other large nations will step in to stop the United States, but it is going to be in that area of the world where one third of man is going to be killed in that area of the world right there. But it's not going to stop there. That's the beginning of it and that's what we're looking for right now.

Yisrayl Hawkins video #5 (3/29/08): I can tell you what I think, the way the nuclear baby is going to go down. Yahweh is going to release it, I think through Israel, because of the fact that Israel is spoken of in many places as being involved in this last war. And I'm thinking that Yahweh has held back the United States which would have already let the nuclear baby loose if Yahweh had not of held it back. But this week, here's the news for this week, dark government says US deploys nuclear sub to the Persian Gulf. A nuclear sub to the Persian Gulf. Now that's not going to mean anything unless you know the prophecies and you know what is about to take place, because what is about to take place right now is a third of man is going to be killed over a fourth part of the earth, not just any fourth part of the earth, but that fourth part of the earth, the Persian Gulf is part of it, in and around the great river Euphrates, that's the fourth part of the earth that scripture describes. A third part of man will be killed over a fourth part of the earth in and around the great river Euphrates by nuclear activity. Not just by wars or conventional wars, but by nuclear activity. Well, the US deploys a nuclear sub to the Persian Gulf. This is not all now, if you'll watch the news closely, you'll find out that the United States are going to put more and more of their warships in that area. I believe that Israel will start the war; start it with Iran.

**CBS News Chicago Crisis in The Middle East:** Breaking News update now, the conflict between Israel and

Iran is intensifying. Iran struck back after Israel's initial attack. Dozens are dead and hundreds more are injured.

**CATON:** So, that is how you get the date of October 13<sup>th</sup>. And Jeff, you know, we've been reporting for over 500 episodes and one of the things that I can say stays consistent is that Yisrayl Hawkins has never been wrong on any of the prophecies. He's been on target every single time.

**JEFF:** Right, very precise in all the prophecies in his teachings.

**CATON:** That's right and what we're seeing here in October 13<sup>th</sup>, Well it wasn't just the 2007 date or the 2006 date, but as we saw in the reports this goes clear back 32 years, to 1993. In fact as you saw, that peace agreement, was signed on the White House lawn there with President Clinton. He was in office at that time, Rabin and Yassar Arafat, the chairman of the PLO at that time. That was signed September 13<sup>th</sup>, 1993 and then a month later it went into effect, and that was October 13<sup>th</sup>, 1993, which the consecutive years are the anniversary of that date.

**JEFF:** Right, and as you mentioned, Caton, October 13<sup>th</sup> of ANY year is its anniversary. June 12<sup>th</sup> of ANY year is the anniversary. And as Yisrayl Hawkins stated that four months from now, a third of men will be killed over that fourth part of the earth. Caton, that's approximately 178 million deaths, that we're going to see as this war builds. And as he (Yisrayl Hawkins) just got done saying, 'I think Israel is going to start it and it's going to build from there', as we see these nations are not backing down. Now, for more insight on this prophecy and the words of Yisrayl Hawkins, we are joined this evening by two of the Priests of The House of Yahweh. We have Kepha Reynolds and Benyamin Crouse. Gentlemen, thank you for joining us here today. Now both of you have been hearing the teachings of Yisrayl Hawkins for over 25 years and we've heard a lot about how the date, June 12<sup>th</sup>, came about, but what else is so significant about this date?

**KEPHA:** Thank you for asking. June 12<sup>th</sup>, I believe Kohan Benyamin and myself have been talking about this date since June 12<sup>th</sup> of 2007. Every year we've been looking for this date, but it's right here in black and white in the book that The House of Yahweh put out, *Birth of the Nuclear Baby*, and when you turn to the back of the book it does have this note that "the nuclear baby was conceived September 12<sup>th</sup>, 2006 and just as a woman with child, nine months later the delivery is due, which will bring us to June 12<sup>th</sup> of 2007. This nuclear baby will actually kill one third of man over a fourth part of the earth in and around the great river Euphrates." And Yisrayl Hawkins was always sure to add that bit of information when talking about June 12<sup>th</sup>. It's important for everybody to understand that this is leading to a result, and I think in particular and that's what we've always been keeping an eye on here in The House of Yahweh, is the fulfillment of this prophecy, knowing that the words of Yisrayl Hawkins were inspired by Yahweh Himself.

**BENYAMIN:** Yes, and seventeen years ago there was a lot of interviews being given by Pastor Yisrayl Hawkins regarding the nuclear baby. Specifically with Brian Ross of ABC News and also Nancy Grace, Shephard Smith – I believe a Fox News host. He always promoted June 12<sup>th</sup> as the start of the nuclear baby and in fact that's the last public announcement as far as news media regarding June 12<sup>th</sup>. Now he always mentioned it in sermons, every time he spoke. He wanted that date to be in peoples' minds. He wanted that third part of man killed over a fourth part of the earth to be engrained in peoples' minds so that when these things do take place, they'll know The House of Yahweh is the ONLY group on the face of the earth that brought any of this information forth and gave this warning to the world.

**KEPHA:** If I could just add one thing, to see Yahweh's hand in all of this, is that June 12<sup>th</sup>, like I just read here on the back of *The Birth of a Nuclear Baby* book was 2007, is the date there. Now the media had picked this bit of information up the next year. Alright? So it was 2008 when Yisrayl Hawkins went

LIVE throughout all the world talking about this very date. So it shows the continuity of his words. And it shows Yahweh Himself, selecting that time period, selecting that year to bring about this warning that went out throughout all the world. And yes, that is exactly seventeen years from what we just witnessed today. To the day, the actual days of that year were the same as it was this year. If you remember in the clip (with Brian Ross), that Yisrayl Hawkins was talking about, 'Thursday, June 12<sup>th</sup>'. It's the same day. We here in The House of Yahweh, we're trained to see these things. It's truly a remarkable bit of information that Yahweh had given us.

**CATON:** Thank you. So we see that this is taking place in that area known more significantly as the Middle East. Israel has had many issues with its neighbors for a long period of time and has been a source of controversy on an international scale. But when we look at what's taking place with Israel and its strikes within Iran and Iran's retaliatory strikes against Israel, the question begs to differ, is it just going to stay there, or is it going to spread? What does this mean for the world?

**KEPHA:** That's a great question and it's one that we need to understand is that, the prophecies show that it's contained to that area for a period of time, but it will not stay there. What we have seen that has begun in that fourth part of the earth will eventually reach the entire world. But again, not until the rest of that prophecy is fulfilled, that one third of man will be killed over that fourth part of the earth.

**BENYAMIN:** Pastor Yisrayl Hawkins always taught that the United States would remain strong, at least militarily, until the end and that it would be contained to that part of the world. But that didn't mean it wouldn't affect America in any way shape or form. Of course, it will. And we see this spirit throughout the world now. We see these rebellions, these revolts, the people being stirred up for war, you know. Yisrayl Hawkins said that it would start in the fourth part of the earth but after this is all said and done, four-fifths of the earth's population are going

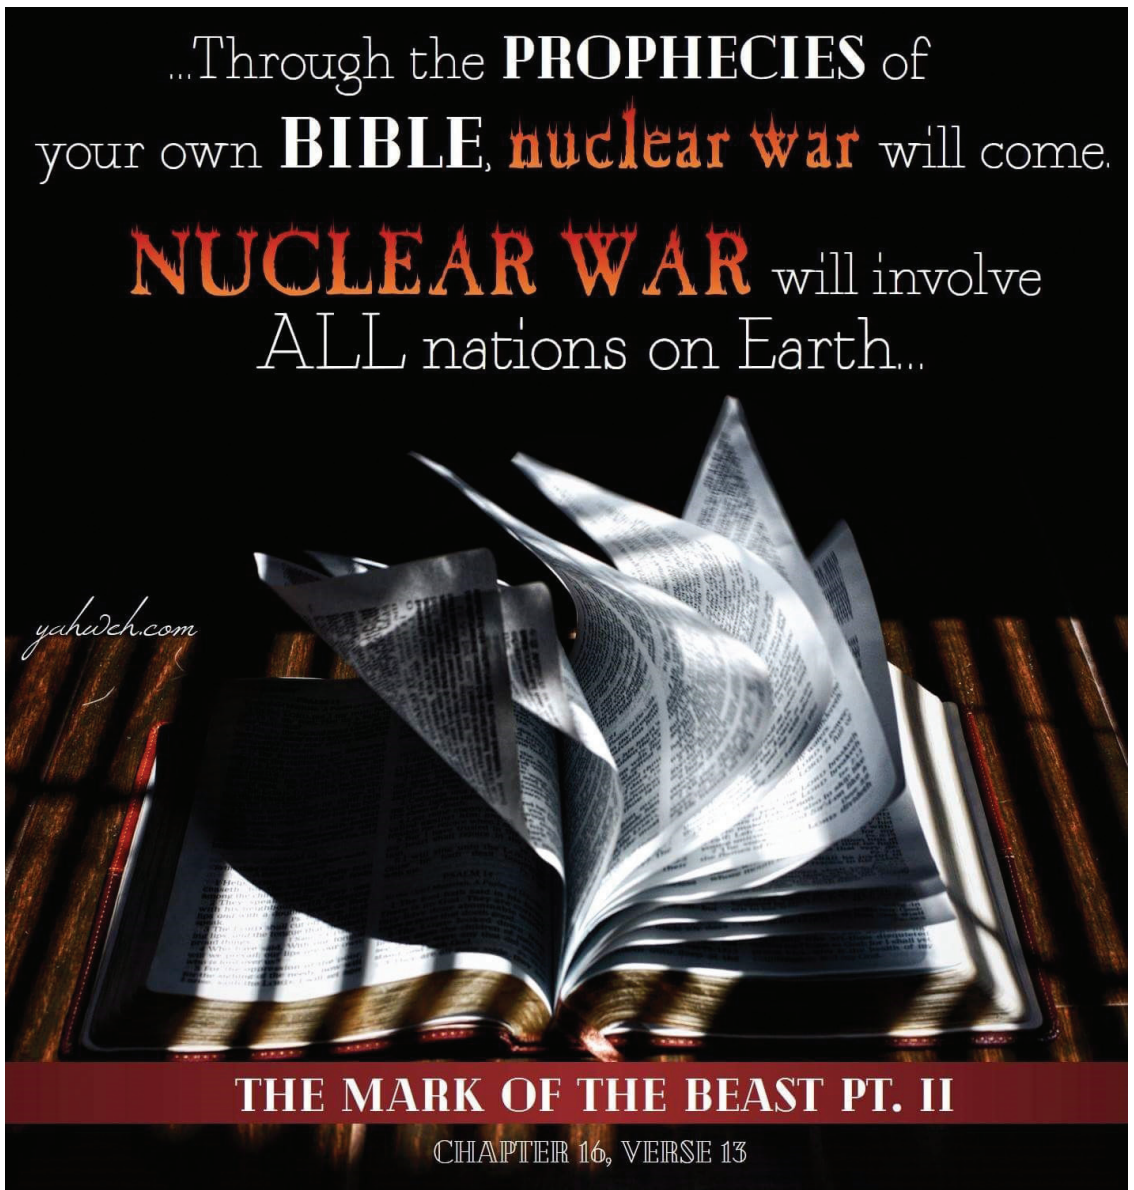

to be destroyed. Four-fifths. There's approximately eight billion people on the earth right now, so you can do the math, what are we talking about? About six billion deaths before this is all said and done.

**JEFF:** Now the June 12<sup>th</sup> prophecy is a very interesting and exciting prophecy, and you mentioned what this means for the world, but as two of you leaders and Priests in The House of Yahweh, what does this mean for The House of Yahweh going forward?

**KEPHA:** Praise Yahweh. The House of Yahweh is more than a building. The House of Yahweh, are the called-out ones of the Living Father who is in complete control over all of His Plan. And we're at the end of this Plan. So, here at The House of Yahweh, we've been watching. We know what to expect. However, we look forward in anticipation; not the suffering in any way, but the fact that Yahweh's Will is going to prevail here. And everybody is going to see that. It does show that the world, they're not going to repent, even after a third of man is killed over a fourth part of the earth. They're not going to repent. But eventually, eventually they will. Eventually they will and the kingdoms of this earth will be handed over to the Saints and the Priests in The House of Yahweh.

So we do look forward to these things with great anticipation. But that's what the Body of Believers believe in The House of Yahweh, we believe the prophecies.

**BENYAMIN:** As Kohan Kepha just mentioned, our whole mission is to preach and publish the message of Yahweh. And that's been going on here in The House of Yahweh for over 40 years. I want to call your attention to a book that the Overseer Yisrayl Hawkins wrote back in 1976. It's called, *The Mark of The Beast*. In fact, he wrote a couple volumes of *The Mark of The Beast*. And it's really important for you to acquire these books and read them because this seven year peace plan that Yisrayl Hawkins mentioned in the clips; this whole thing centers around Daniyl 9:27.

...Through the **PROPHECIES** of  
your own **BIBLE**, **nuclear war** will come.  
**NUCLEAR WAR** will involve  
ALL nations on Earth...

*yahweh.com*

**THE MARK OF THE BEAST PT. II**  
CHAPTER 16, VERSE 13

Okay? And Daniyl 9:27 in a nutshell tells you the end result. The beginning of the seven years, I know the Christian community calls it the missing week of Daniel. Okay? It's not missing anymore. Yisrayl Hawkins showed us that week, when it began, with the signing of this peace treaty. In fact, a month later after it was signed, October 13<sup>th</sup>, 1993 it went into effect; The House of Yahweh has been working hard getting this message out, preaching and publishing this message for all those years, warning the world. We're the only ones on the face of the earth that caught, what you caught in that news clip regarding a seven year peace plan. In fact, it was caught by one of our men, that were assigned to watch ABC News by Overseer Yisrayl Hawkins, his name was Cliff Clark. He caught, where no one else saw it and you can't even find it anywhere that I'm aware of now on any archives on ABC News, that it was a seven year plan just like Daniyl predicted. The House of Yahweh has been working very hard since then in promoting this message and getting that message out to the world.

But your question was, what does this mean for the House of Yahweh now, going forward? Our work is only beginning now. According to bible prophecy, there's two billion people out there that are going to be saved out of this mess, that are going to respond to this message. So the harvest is great and we need all the help we can get at this point. If you're willing to help The House of Yahweh in any way shape or form get this message out, by all means, give us a call. Get ahold of [www.yahweh.com](http://www.yahweh.com). Call us, at 1-800-613-9494. Help us. We need all the help we can get. We need everyone's help getting this warning out to the world, because this is not going to end well. But it's going to end well for those that choose peace and not war.

**JEFF:** Thank you.

**CATON:** Just real quick, to leave our guests with a positive thought in their minds amongst other things. With all the talk of war and fighting and doom and gloom, where's the silver lining in the midst of this turmoil? What do people who might be watching and

hearing this here for the very first time, what do they have to look forward to after all the dust settles?

**KEPHA:** That is probably the best question that you could have ever asked. And the answer that Yahweh gives us in the scriptures, He shows the cause. It's important to remember that these things are not just spontaneously coming upon the world for no reason. In Isayah 24, if you want to write that down. If you have a King James version of the bible or whatever version of the bible that you have and you want to read the cause of what's taking place in the world, **Isayah 24:1-6** will tell you. And also it tells you, it's something that comes upon the whole world. No one is going to escape this. That's important for you to realize if you're thinking that you're building a bunker to get around the curse, guess what? You've got a rude awakening.

(Paraphrasing) It will be on the people, the same with the priest, the buyer, the lender, because, because they have transgressed the Laws, changed the ordinances and broken the everlasting covenant. And because of this the inhabitants of the earth are burned and few men left. Okay, that's what's written in your bible and that's the reason that things are coming to pass. But what is also written is a way out, a way of escape. In Isayah 2:2 and in Micah 4:1, if you want to look those up, it shows that The House of Yahweh would be established in the Last Days. In the Last Days, The House of Yahweh will be established and people will go and learn of Yahweh's Ways. We're not going to learn war anymore. This that we're seeing is going to be tragic, but it's going to be short lived and we're never going to bring it back.

**JEFF:** Thank you gentlemen.

**BENYAMIN:** I gotta have the last word. Nah, I'm just kidding. What Kohan Kepha said is a great way to end it, but I also want to add, you asked about a silver lining. One of the great silver linings of all this is if you'll choose peace and you'll choose to get behind this peace train, that Yisrayl Hawkins always talked about, if you choose peace and you choose to take Yahweh's side in keeping Yahweh's covenant, keeping

Yahweh's Commandments, the Ten Commandments and the Statutes and Judgments of Yahweh, you'll be able to come to The House of Yahweh and enjoy Kohan Kepha's great cooking.

**KEPHA:** Not mine, but my disciples (laughing)

**BENYAMIN:** And all of our other friends that do the cooking here. That's the silver lining; peace joy and abundant living forevermore, for everyone that chooses the Peaceful Solution.

**KEPHA :** Praise Yahweh.

**JEFF:** Thank you Benjamin. That truly is a silver lining that there will be a time coming where mankind will be taught 'war no more' and they will have the opportunity to choose peace. Now gentleman, we just have a few more minutes left, I just want to ask you. I can tell both of you are bible scholars and you've heard Israeli Prime Minister Benjamin Netanyahu's address, when he mentioned the latest military campaign, 'Rising Lion'. And he stated, and I quote, "As the bible teaches us when someone comes to kill you, rise and act first." Now I have to ask you is that a teaching in the bible?

**KEPHA:** If it is, it's from a bible I've never read. I see just the opposite even in Proverbs 'if your enemy is hungry to feed him.' This attitude of revenge and retaliation is not something that I've found in any of the bibles that I've ever read.

**BENYAMIN:** I have read...it's not in your Holy Scriptures, it's not in the Sacred Scriptures, it's just not there but it was advocated by the early church fathers bringing forth what they called 'bellum iustum', meaning just war, you know, that there's just causes for war. But these were based on contrivances of scripture. These were not, as the great Prophet Yeremyah or Jeremiah said, these were contrivances that were uttered and conceived in the minds of men. Okay? But they didn't do what the scriptures say in Isayah 28:10, which is 'Here a little, there

a little.' Add up the scriptures, interpret scripture with scripture, don't interpret with your own thoughts and feelings. Don't read a scripture and run with it and make a whole religion out of one scripture as we've seen with many, many different congregations throughout the world. But let the scripture interpret the scripture and Pastor Yisrayl Hawkins was the greatest teacher to bring forth the Sacred Scriptures because he followed that particular pattern.

**CATON:** Well, we do thank you gentlemen for taking the time out of your busy day.
